1. Comments

Staff is requesting that the Planning Commission continue this application to a future Planning Commission meeting in accordance with UDO 18.40.070.C. This will allow staff and the applicant necessary time for further discussions. The applicant is amenable to this continuance request. Per UDO 18.40.070, new public notice signs will be posted on the property with the updated meeting date.

2. Staff Recommendation

Staff recommends continuing this application to a future Planning Commission meeting.
