SCHEDULE OF VALUES – ALTERNATE No. 1

Bidder is directed to insert the amount of nominal increase or decrease proposed for each given unit item that would modify the Base Bid bid item listed in the new Item Name. Therefore, a positive Unit Price in this alternate table is intended to be paid in addition to the corresponding item in the Base Bid, while a negative Unit Price in this alternate table is intended to reduce the corresponding item in the Base Bid. If Alternate No. 1 is awarded, the Alternate Item Name shall dictate while the combined price of the Base Bid Line Item unit price combined with the Alternate Line Item unit price will be the basis of the award amount. Alternates, as applicable, are evaluated at the sole discretion of the Owner for award as allowed by the project budget.

NO.	ITEM	QUANTITY	UNIT	BID UNIT PRICE		TOTAL
