1. Introduction

This is a request for approval of a minor plat for Ranch Villas at Prairie Haven, Lot 34, containing four (4) lots on 0.28 acres, located at 21722 W. 120th Court. The applicant is replatting the property to allow for the individual units to be separately owned. A map exhibit is provided for reference on page 2 of this report.

The subject property was rezoned to the RP-3 (Planned Low-Density Multifamily) District in September 2001 (RZ-18-01) with an associated preliminary site development plan and preliminary plat. A final site development plan (PR-52-01) was approved in 2001 and revised in 2006 (PR-06-15) for the development of attached villas. The minor plat is consistent with both the preliminary plat and final site development plan.

No public easements or right-of-way are dedicated with this replat; therefore, the plat does not require City Council acceptance.
