Questions

1. Briefly describe the nature of the proposed project, including information as to the structure itself (size of building, amount of land to be purchased, etc.), whether it is an expansion of an existing facility or the construction of a new facility, and what products or services are to be manufactured or provided there.

Ans. Construct one manufacturing building of approximately 500,000 SF, on an approximately 40.23 +/- acre site located in the SWC of 167th & Lone Elm Rd along with all associated site work and infrastructure.

2. Describe the type of buildings to be constructed and type of machinery and equipment to be financed:

Ans. One manufacturing building comprising approximately 500,000 SF along with all associated site work, infrastructure, furniture, fixtures and equipment.

3. Will the applicant be in direct competition with other local firms?

Ans. No

4. Name the firms and describe the nature of the competition:

Ans. Not applicable

5. Are adequate public streets and utilities available to the proposed site?

Ans. Yes

6. Specify if unusual demands for water and sewer will be made:

Ans. Not applicable.

7. Per the City IRB policy, an applicant is required to use City of Olathe solid waste service upon the start of the abatement period. Please indicate that you understand this requirement by answering yes:

Ans. Yes

8. If you have a current existing contract with another contractor, please indicate below when that will expire. If you have any extenuating circumstances that would result in the City not being able to adequately serve your needs, please indicate those below:

Ans. Not applicable.

9. What percentage of usable floor space will be occupied by applicant?

Ans. 100%

10. What percentage will be occupied by other occupants?

Ans. 0%

11. If known, indicate each occupant below:

Ans. Faith Technologies

12. Does the applicant, or its parent, presently have offices or industrial facilities located in Olathe, Kansas?

Ans. Yes

13. Please describe below:

Ans. Faith Technologies Buildings #1 and #2 (Parcel Nos. R303087 and R775487).

14. Will you be relocating from your existing Olathe facilities to new facilities constructed by this project?

Ans. No

15. What will you be doing with your existing facilities after relocating?

Ans. No information entered

Projections

Questions

1. Will this project represent an increase in employment opportunities in Olathe, Kansas?

Ans. Yes

2. Briefly describe the approximate number of persons to be employed by the project at all levels:

Ans. Total projected employment: 333 employees with an additional 7 employees hired for the first ten years of the project. Breakdown: Management (67), Office/Clerical (22), Professional (22), Skilled (178), Unskilled (44).

3. What dollar amount and percentage of the applicant's total projected annual sales for the next ten (10) years, is expected to be generated by the project?

Ans. Less than 5%.

4. What percentage of sales will be sold locally?

Ans. To be determined. See firm datasheet for the projected new or additional sales resulting from the project.

5. Is this percentage increasing, decreasing or remaining stable from the current trend?

Ans. Increasing

6. What is the estimated annual amount of merchandise and services purchased locally by the applicant?

Ans. To be determined. See firm datasheet for the projected new or additional annual purchases resulting from the project.

7. Is there likelihood for expansion of the proposed facility within three (3) years?

Ans. No

8. Please describe below:

Ans. No information entered

9. Has or will an environmental audit be performed for the site?

Ans. Yes

Sources of Funds

Fund Request

Funding Request	Reimbursement
Eligible Costs Total	\$79,786,580.00

Total Funding Amount Requested	No information entered

Questions

1. Have arrangements been for the marketing of the bonds?

Ans. No

2. Describe interest rate structure and term of bonds below:

Ans. No information entered

3. Will the applicant pledge any assets other than the project itself to secure the bonds?

Ans. No information entered

4. Will a bond and interest reserve be provided for?

Ans. No

5. State amount and source of funding:

Ans. No information entered

6. Does the applicant have any major contractual arrangements that would tend to assure, or be a detriment to, the successful financing and marketing of the proposed bonds?

Ans. No information entered

7. Describe below:

Ans. No information entered

8. Has a bond underwriter determined whether or not the bonds are marketable?

Ans. No information entered

9. Describe its determination below:

Ans. No information entered

10. Indicate whether bonds will be publicly or privately placed.

Ans. No information entered

11. Does the applicant, or its parent, intend to purchase all or any part of the proposed bond issue?

Ans. No information entered

12. What will be the applicant's equity investment? Please describe:

Ans. To be determined.

13. Has the applicant considered conventional financing?

Ans. Yes

14. Indicate name of primary officer, institution name, and address of trustee and/or fiscal agent.

Ans. To be determined.

15. Proposed date of issuing bonds:

Ans. 12/1/2026

16. What portion of the project will be financed from funds other than bond proceeds, and what is the source of such funds?

Ans. Project will be 100% privately financed, with IRBs reimbursing costs of land acquisition, construction, and FF&E.

17. List below previous participation in IRB financing:

Ans. Faith Technologies Buildings 1, 2, and 3, which are generally located in the NWC of 167th & Lone Elm.

Additional Notes / Comments

No information entered

Taxes

Questions

1. What is the requested tax abatement term in years? _____ Percentage requested _____%

Ans. 10 Years. 80%.

2. If a Fixed PILOT payment is proposed for the project, please outline proposed structure:

Ans. Applicant requests to fix the PILOT at 20% of the then comparable market value.

3. Under normal circumstances, the City will require payment in lieu of payments for property which becomes tax exempt. If tax abatement is requested, please describe special features or benefits of the project, which would justify tax abatements at the

requested percentage and term. Include information about other local revenues associated with the project, such as sales taxes and franchise fees.

Ans. No information entered

Disclosure Of Interests

Is any owner of the business and / or land / building, or any tenant, or any of the project developers an elected official or appointed official or related to an elected official or appointed official, or routinely contracts to provide goods or services to the governing body. (IRB Existing Business)

Applicant Answer: No

Relationship: No information entered

Declarations

A non-refundable \$2,000 application / filing fee must accompany this application. The IRB application review process will not start until the application in full is received. If bonds are issued, the City will require an issuance fee of .0025 of the first \$40 million of bonds issued plus .0020 of the amount of bonds issued in excess of \$40 million (issuance fee shall not be less than \$2,500 or more than \$250,000). For warehouse distribution or logistics-type

projects the City will require an issuance fee of .0030 of the par amount of bonds being issued (which amount shall not be less than \$2,500 or more than \$250,000). Additionally, the applicant shall be responsible for bond counsel fees, trustee fees and other fees associated with the issuance of the bonds. See Section 6 of Resolution No. 22-1080 and contact Bond Counsel for a more detailed explanation of the fees.

Applicant Answer: Yes

The Governing Body reserves the right to deviate from any policy, but not any procedure, set forth in this Resolution or any other procedural requirements of state law, when it considers such action to be of exceptional benefit to the City or extraordinary circumstances prevail that are in the best interests of the City.

Applicant Answer: Yes

Applicant understands and agrees to pay all fees described on this application. Applicant agrees to comply with the provisions of Chapter 2.82 of the Olathe Municipal Code (the "Code") regarding Public Art for the Project, or to pay the necessary payment to the City's Public Art Fund. Applicant agrees to comply with Section 2(D) of Policy No. F-5, Resolution No. 22-1080. It is understood that a performance agreement shall be required, as set forth in the City's tax abatement policy, for applications requesting tax abatement. I hereby swear that the foregoing and attached information is true and correct to the best of my knowledge. Applicant understands that the City reserves the right to ask for additional financial information, including, but not limited to financial reports, credit ratings, shareholder reports, on-going litigation information and proforma statements.

Applicant Answer: Yes

Prior to the contractor starting construction on the project, the applicant shall notify the City Clerk whether or not to proceed with an application for a sales tax exemption from the state of Kansas. Prior to, or at completion, of the project, the applicant shall inform the City Clerk to proceed with the issuance of the industrial revenue bonds and filing with the state board of tax appeals for a tax abatement on the project.

Applicant Answer: Yes

This application is submitted in conformance with the city's tax abatement policy. It is understood that the city may require in lieu payments for property which becomes tax exempt. The attached sheet(s), if any, are submitted as Exhibit A of this application. This application must be submitted within sufficient time to meet procedural requirements of the abatement policy, (refer to the tax abatement calendar).

Applicant Answer: Yes
