Financing for business customers may be available from Agilent's independent finance partner(s), (hereinafter "Lender"). The above financing examples are provided for illustrative purposes only and do not constitute a legally binding offer from Agilent.

Please note: Financing offers, payment amounts, and structures are subject to credit approval and acceptance of contract terms directly with the Lender. Terms and interest rates are subject to change based on the customer's credit review. Financing payments are calculated based on the "Total Net Cost with Shipping and Handling" (excludes applicable taxes) as identified on this Quotation.

Fair Market Value Purchase Option (FMV Lease):

An agreement with the Lender allowing a customer to use the asset(s) for an agreed term in return for regular payments. Title is retained by the Lender. End of term options may include extend the contract, purchase for fair market value, or return the financed equipment.

\$1 Purchase Option (Finance Lease):

An agreement with the Lender allowing a customer to use the asset(s) for an agreed term in return for regular payments resulting in equipment ownership once all monthly payments have been made.

Contact your local Agilent Sales Representative or the Agilent Financial Solutions Specialist (financing@agilent.com) if you wish to proceed with a finance arrangement. We will then arrange for a quotation from the Lender, which you would enter into directly with the Lender, and will be subject to their terms and conditions (and credit reviews).

Visit us online at www.agilent.com/en/technology/agilent-financial-solutions to find out why more and more Labs are choosing Agilent Financial Solutions and learn more about our attractive payment options and how we can help you acquire the latest innovations, while minimizing the upfront costs.

Product and Warranty:

Each Product receives a global warranty which includes the standard warranty for the country of purchase. Please review the terms of the global warranty and Agilent's "Rights Due to Defects (Warranty)" terms and conditions on our [website](#).

The warranty period for standard instruments is twelve (12) months from the date of acceptance. Consumables are warranted for ninety (90) days from the date of acceptance. Customer may receive a different warranty when the product is purchased as a part of a system. Selected Automation consumables are warranted for one hundred and eighty (180) days, selected Vacuum Products are warranted for twenty-four (24) months. Please check with your Agilent Sales Representative for details.

Terms and Conditions:

The sale of Agilent Products and Services referenced in this quotation is subject to the then current version of [Agilent's Terms of Sale](#), and any Supplemental Terms or Occasional Reseller Terms of Sale or other applicable terms referenced herein. The sale of Microplates Products shall be subject to Microplates Terms of Sale and any Supplemental Terms or other applicable terms referenced herein. The sale of Microplates Tooling Products shall be subject to Microplates Tooling Terms of Sale and any Supplemental Terms or other applicable terms referenced herein. All of the above "Terms" as applicable. A copy of the Terms is either attached or has been previously provided to you. Please contact us if you have not received a copy or require an additional copy. If you have a separate agreement in effect with Agilent covering the sale of Products and Services referenced in this quotation, the terms of that agreement will take precedence for those Products and Services. Agilent expressly objects to any different or additional terms in your purchase/sales order documentation, unless agreed to in writing by Agilent. Products and Services availability dates are estimated at the time of the quotation. Actual delivery dates or delivery windows will be specified at the time Agilent acknowledges and accepts your purchase order. The above conditions shall apply to the fullest extent permitted by the law. You may have other statutory or legal rights available. Commodities, technology or software exported from the United States of America ("U.S.") or from other exporting countries will be subject to the U.S. Export Administration Regulations and all exporting countries' export laws and regulations. Diversion contrary to U.S. law and the applicable export laws and regulations is prohibited.
