A New Branch for Truity Credit Union, Shops of Sunnybrook
Notes from the Neighborhood Meeting
November 25, 2025

The meeting was scheduled to start at 5:30 PM at the existing Truity Credit Union branch in Olathe at 11172 S Lone Elm. I arrived at 5:05 and the branch had just closed. I knocked on the door and Madison Clark, the Branch Manager unlocked the door and let me in. At that point I met David Hurt, also representing the Credit Union. I remained in the lobby and no early attendees attempted entry. At 5:15 Kaylee Sell, VP and Regional Manager for Truity Credit Union arrived escorting Gracie Johnston. At that point, the door remained unlocked. The group assembled in the lobby in clear view of the front door and front exterior. We waited 45 minutes, or until 6:00 PM and no one approached to enter the building. There were no questions concerning the project. At 6:00 PM we determined that no other people were going to attend and we locked up and left at a few minutes after 6:00.

Faithfully Submitted
