VENDOR NAME:

Alliance Workforce Inc

COMMODITY/SERVICE DESCRIPTION:

Temporary staffing for seasonal yard waste collection and traffic operations/maintenance.

JUSTIFICATION:

The city's Solid Waste Division currently provides year round yard waste collection for Olathe residents. The yard waste program continues to grow due to increased population and participation. Local temporary workers are used to assist in the collection of yard waste. Additionally, the Traffic Section of Infrastructure has utilized Alliance staff in their operations to supplement existing staff in the replacement of traffic signs, pavement markings, etc. Local temporary staffing companies cannot meet our requirements, and we have had consistently reliable service from Alliance Workforce. We request the approval of a contract with Alliance.
