Ans. No information entered

Declarations

Disclosure Of Interests

Is any owner of the business and / or land / building, or any tenant, or any of the project developers an elected official or appointed official or related to an elected official or appointed official, or routinely contracts to provide goods or services to the governing body. (IRB Existing Business)

Applicant Answer: No

Relationship: No information entered

Declarations

A non-refundable \$2,000 application / filing fee must accompany this application. The IRB application review process will not start until the application in full is received. If bonds are issued, the City will require an issuance fee of .0025 of the first \$40 million of bonds issued plus .0020 of the amount of bonds issued in excess of \$40 million (issuance fee shall not be less than \$2,500 or more than \$250,000). For warehouse distribution or logistics-type projects the City will require an issuance fee of .0030 of the par amount of bonds being issued (which amount shall not be less than \$2,500 or more than \$250,000). Additionally, the applicant shall be responsible for bond counsel fees, trustee fees and other fees associated with the issuance of the bonds. See Section 6 of Resolution No. 22-1080 and contact Bond Counsel for a more detailed explanation of the fees.

Applicant Answer: Yes

The Governing Body reserves the right to deviate from any policy, but not any procedure, set forth in this Resolution or any other procedural requirements of state law, when it considers such action to be of exceptional benefit to the City or extraordinary circumstances prevail that are in the best interests of the City.

Applicant Answer: Yes

Applicant understands and agrees to pay all fees described on this application. Applicant agrees to comply with the provisions of Chapter 2.82 of the Olathe Municipal Code (the "Code") regarding Public Art for the Project, or to pay the necessary payment to the City's Public Art Fund. Applicant agrees to comply with Section 2(D) of Policy No. F-5, Resolution No. 22-1080. It is understood that a performance agreement shall be required, as set forth in the City's tax abatement policy, for applications requesting tax abatement. I hereby swear that the foregoing and attached information is true and correct to the best of my knowledge. Applicant understands that the City reserves the right to ask for additional financial information, including, but not limited to financial reports, credit ratings, shareholder reports, on-going litigation information and proforma statements.

Applicant Answer: Yes

Prior to the contractor starting construction on the project, the applicant shall notify the City Clerk whether or not to proceed with an application for a sales tax exemption from the state of Kansas. Prior to, or at completion, of the project, the applicant shall inform the City Clerk to proceed with the issuance of the industrial revenue bonds and filing with the state board of tax appeals for a tax abatement on the project.

Applicant Answer: Yes

This application is submitted in conformance with the city's tax abatement policy. It is understood that the city may require in lieu payments for property which becomes tax exempt. The attached sheet(s), if any, are submitted as Exhibit A of this application. This application must be submitted within sufficient time to meet procedural requirements of the abatement policy, (refer to the tax abatement calendar).

Applicant Answer: Yes

A handwritten signature in black ink, appearing to read 'Jon-Michael Mitchell', written over a horizontal line.

Name: JON-MICHAEL MITCHELL

Date: 04/08/2026
