

Narrative for Destiny Home Care Plus Operations

Facility Overview:

Destiny Senior Living is a residential care home located in Olathe Kansas designed to provide a comfortable and supportive environment for 12 residents. Our mission is to deliver high-quality, personalized care that promotes the well-being and independence of each resident. The facility is equipped with modern amenities and safety features to ensure a secure and nurturing environment.

Building Operations:

Staffing:

To ensure the highest level of care and attention for our residents, Home Care Plus will maintain a consistent staffing model with the following personnel:

1. **Two Caregivers:** There will always be two caregivers on duty at any given time. These caregivers will be responsible for providing direct care to residents, including assistance with daily living activities, medication administration, and monitoring residents' health and well-being. Caregivers will work in shifts to ensure 24/7 coverage and support.
2. **Operator:** The facility operator will be present at all times to oversee the daily operations of the home. The operator will manage staff schedules, coordinate resident care plans, handle administrative tasks, and ensure compliance with state regulations and facility policies.

Daily Operations:

1. Caregiving Services:

- **Personal Care:** Assistance with bathing, dressing, grooming, and toileting.
- **Medication Management:** Administering and monitoring residents' medications as prescribed.
- **Health Monitoring:** Regularly checking vital signs and observing residents for any changes in health status.

2. Meals and Nutrition:

- **Meal Preparation:** Three nutritious meals and snacks will be prepared daily, accommodating residents' dietary needs and preferences.
- **Dining Assistance:** Support will be provided to residents who need help with eating.

3. Housekeeping and Maintenance:

- **Cleanliness:** Daily cleaning of common areas and residents' rooms to maintain a hygienic environment.
- **Laundry:** Weekly laundry services for residents' personal items and linens.

- **Maintenance:** Regular inspection and maintenance of the facility to ensure safety and functionality.

4. **Activities and Social Engagement:**

- **Recreational Activities:** A variety of activities will be organized to promote physical, mental, and social well-being, including exercise classes, arts and crafts, and group outings.
- **Social Interaction:** Opportunities for residents to interact with each other and build a sense of community.

5. **Safety and Security:**

- **Emergency Preparedness:** The facility will have emergency plans and procedures in place, including regular drills and training for staff.
- **Security Measures:** Secure entrances and exits, along with surveillance systems, to ensure the safety of residents.

Conclusion:

Home Care Plus will be dedicated to creating a nurturing and supportive environment where our residents can thrive. With a well-trained and compassionate staff, comprehensive care services, and a focus on safety and engagement, we are committed to enhancing the quality of life for each resident. Our operational model is designed to provide consistent, high-quality care, ensuring that all residents receive the attention and support they need at all times
