

## NEIGHBORHOOD MEETING SUMMARY

PROJECT: OLATHE FIRE STATION NO 4

OLATHE PROJECT NO: PR26-0005

DATE: April 6<sup>th</sup>, 2026

---

The project team held a neighborhood meeting on April 6<sup>th</sup>, 2026 at the Indian Creek branch of the Olathe Public Library. Members of the Olathe Fire Department, City of Olathe staff, Construction Team and Design Team members were in attendance and available to present and answer questions on the proposed project. The meeting was an open-house style format with presentation boards showcasing the site plan and a few renderings of the proposed Fire Station rebuild. The meeting did not produce any questions or comments from the public. The only attendee from the public was a family who knows the Fire Chief and came in to see the presentation boards and spoke with the Chief in support of the project. The sign-in sheet is attached here.
