RE: Neighbor Meeting Minutes

Dear Jessica,

The church held the required neighbor meeting on Monday, March 2nd from 6-7pm. Those in attendance were a representative of the church (Brian Gann), the civil engineer (Matt Schlicht) and the project architect (Brian Rathsam). No neighbors or members of the community chose to attend the meeting, so there are no minutes to report.

Thanks again for your support of this project.

Sincerely,

A handwritten signature in blue ink that reads "Brian C. Rathsam".

Brian Rathsam
Vice President
