Such executed certificate of authentication upon any Series 2025 Bond shall be conclusive evidence that such Series 2025 Bond has been duly authenticated and delivered under this Bond Resolution. Upon authentication, the Bond Registrar shall deliver the Series 2025 Bond to the Purchaser upon instructions of the Issuer or its representative.

Section 207. Mutilated, Lost, Stolen or Destroyed Bonds. If (a) any mutilated Bond is surrendered to the Bond Registrar or the Bond Registrar receives evidence to its satisfaction of the destruction, loss or theft of any Bond, and (b) there is delivered to the Issuer and the Bond Registrar such security or indemnity as may be required by each of them, then, in the absence of notice to the Issuer or the Bond Registrar that such Bond has been acquired by a bona fide purchaser, the Issuer shall execute and, upon the Issuer's request, the Bond Registrar shall authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Bond, a new Bond of the same Stated Maturity and of like tenor and principal amount.

If any such mutilated, destroyed, lost or stolen Bond has become or is about to become due and payable, the Issuer, in its discretion, may pay such Bond instead of issuing a new Bond.

Upon the issuance of any new Bond under this Section, the Issuer and the Paying Agent may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Paying Agent) connected therewith.

Every new Bond issued pursuant to this Section shall constitute a replacement of the prior obligation of the Issuer and shall be entitled to all the benefits of this Bond Resolution equally and ratably with all other Outstanding Bonds.

Section 208. Cancellation and Destruction of Bonds Upon Payment. All Bonds that have been paid or redeemed or that otherwise have been surrendered to the Paying Agent, either at or before Maturity, shall be cancelled by the Paying Agent immediately upon the payment, redemption and surrender thereof to the Paying Agent and subsequently destroyed in accordance with the customary practices of the Paying Agent. The Paying Agent shall execute a certificate in duplicate describing the Bonds so cancelled and destroyed and shall file an executed counterpart of such certificate with the Issuer.

Section 209. Book-Entry Bonds; Securities Depository. Any series of Bonds may be issued as Book-Entry-Only Bonds. If so, such series of Bonds shall initially be registered to Cede & Co., the nominee for the Securities Depository, and no Beneficial Owner will receive certificates representing their respective interests in the Bonds, except in the event the Bond Registrar issues Replacement Bonds as provided in this Section. It is anticipated that during the term of the Bonds, the Securities Depository will make book-entry transfers among its Participants and receive and transmit payment of principal of, premium, if any, and interest on, the Bonds to the Participants until and unless the Bond Registrar authenticates and delivers Replacement Bonds to the Beneficial Owners as described in the following paragraph.

(a) If the Issuer determines (1) that the Securities Depository is unable to properly discharge its responsibilities, or (2) that the Securities Depository is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, or (3) that the continuation of a book-entry system to the exclusion of any Bonds being issued to any Owner other than Cede & Co. is no longer in the best interests of the Beneficial Owners of the Bonds, or (b) if the Bond Registrar receives written notice from Participants having interests in not less than 50% of the Bonds Outstanding, as shown on the records of the Securities Depository (and certified to such effect by the Securities Depository), that the continuation of a book-entry system to the exclusion of any Bonds being issued to any Owner other than Cede & Co. is no longer in the best interests of the Beneficial Owners of the Bonds, then the Bond Registrar shall notify the Owners of such determination or such notice and of the availability of certificates to owners requesting the same, and the Bond Registrar shall register in the name of and authenticate and deliver Replacement Bonds to the Beneficial Owners or their nominees in principal amounts representing the interest of each, making such adjustments as it may find necessary or appropriate as to accrued interest and previous calls for redemption; provided, that in the case of a determination under (a)(1) or (a)(2) of this paragraph, the Issuer, with the consent of the Bond Registrar, may select a successor securities depository in accordance with the following paragraph to effect book-entry transfers. In such event, all references to the Securities Depository herein shall relate to the period of time when the Securities Depository has possession of at least one Bond. Upon the issuance of Replacement Bonds, all references herein to obligations imposed upon or to be performed by the Securities Depository shall be deemed to be imposed upon and performed by the Bond Registrar, to the extent applicable with respect to such Replacement Bonds. If the Securities Depository resigns and the Issuer, the Bond Registrar or Owners are unable to locate a qualified successor of the Securities Depository in accordance with the following paragraph, then the Bond Registrar shall authenticate and cause delivery of Replacement Bonds to Owners, as provided herein. The Bond Registrar may rely on information from the Securities Depository and its Participants as to the names of the Beneficial Owners of the Bonds. The cost of printing, registration, authentication, and delivery of Replacement Bonds shall be paid for by the Issuer.

In the event the Securities Depository resigns, is unable to properly discharge its responsibilities, or is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, the Issuer may appoint a successor Securities Depository provided the Bond Registrar receives written evidence satisfactory to the Bond Registrar with respect to the ability of the successor Securities Depository to discharge its responsibilities. Any such successor Securities Depository shall be a securities depository which is a registered clearing agency under the Securities and Exchange Act of 1934, as amended, or other applicable statute or regulation that operates a securities depository upon reasonable and customary terms. The Bond Registrar upon its receipt of a Bond or Bonds for cancellation shall cause the delivery of Bonds to the successor Securities Depository in appropriate denominations and form as provided herein.

Section 210. Nonpresentment of Bonds. If any Bond is not presented for payment when the principal thereof becomes due at Maturity, if funds sufficient to pay such Bond have been made available to the Paying Agent all liability of the Issuer to the Owner thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Paying Agent to hold such funds, without liability for interest thereon, for the benefit of the Owner of such Bond, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Bond Resolution or on, or with respect to, said Bond. If any Bond is not presented for payment within four years following the date when such Bond becomes due at Maturity, the Paying Agent shall repay, without liability for interest thereon, to the Issuer the funds theretofore held by it for payment of such Bond, and such Bond shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the Issuer, and the Owner thereof shall be entitled to look only to the Issuer for payment, and then only to the extent of the amount so repaid to it by the Paying Agent, and the Issuer shall not be liable for any interest thereon and shall not be regarded as a trustee of such money.

Section 211. Calculation of Debt Service Requirements.

(a) *Debt Service Requirements on Balloon, Put, Short-Term and Interim Indebtedness.*

(1) The principal of Balloon Indebtedness, Put Indebtedness or Short-Term Indebtedness being treated as Long-Term Indebtedness under **Section 902** hereof, or Interim Indebtedness shall be deemed due and payable at its Stated Maturity; provided, however, that at the election of the Issuer for the purpose of any computation of Debt Service Requirements, whether historical or projected, the principal deemed payable on Balloon Indebtedness, Put Indebtedness or Short-Term Indebtedness being treated as Long-Term Indebtedness under **Section 902** hereof, or Interim Indebtedness, shall be deemed to be payable as set forth below:

(A) If the Issuer has obtained a binding commitment of a bank or other financial institution (whose senior debt obligations, or the senior debt obligations of the holding company of which such bank or financial institution is the principal subsidiary, are then rated in at least the third-highest category (without respect to modifier) by any NRSRO) to refinance such Balloon Indebtedness, Put Indebtedness, Short-Term Indebtedness or Interim Indebtedness, or a portion thereof, including without limitation, a letter of credit or a line of credit, the Balloon Indebtedness, Put Indebtedness, Short-Term Indebtedness or Interim Indebtedness, or portion thereof to be refinanced, may be deemed to be payable in accordance with the terms of the refinancing arrangement;

(B) If the Issuer has entered into a binding agreement providing for the deposit by the Issuer with a bank or other financial institution (whose senior debt obligations, or the senior debt obligations of the holding company of which such bank or financial institution is

the principal subsidiary, are then rated in at least the third-highest category (without respect to modifier) by any NRSRO), in trust (herein called a “Special Redemption Fund”) of amounts, less investment earnings realized and retained in the Special Redemption Fund, equal in aggregate to the principal amount of such Balloon Indebtedness, Put Indebtedness, Short-Term Indebtedness or Interim Indebtedness, or a portion thereof, when due from the sums so deposited and investment earnings realized thereon, then the principal amount of the Balloon Indebtedness, Put Indebtedness, Short-Term Indebtedness or Interim Indebtedness, or portion thereof, may be deemed to be payable in accordance with the terms of such agreement;

(C) If the Issuer has entered into arrangements or agreements with respect to the principal amount of such Balloon Indebtedness, Put Indebtedness, Short-Term Indebtedness or Interim Indebtedness, other than those referred to in subsections (A) and (B) above, which a Consultant in a certificate filed with the Issuer determines, taking into account the interests of the Owners of System Indebtedness, provides adequate assurances that the Issuer will be able to meet the Debt Service Requirements due on such Indebtedness, the Balloon Indebtedness, Put Indebtedness, Short-Term Indebtedness or Interim Indebtedness may be deemed to be payable in accordance with the terms of such arrangement or agreement; or

(D) Such Balloon Indebtedness, Put Indebtedness or Short-Term Indebtedness may be deemed to be System Indebtedness which, at the date of its original incurrence, was payable over a term not to exceed twenty (20) years in equal annual installments of principal and interest at the Index Rate.

A Consultant shall deliver to the Issuer a certificate stating that it is reasonable to assume that installment obligations of such term of the Issuer can be incurred and stating the interest rate then applicable to installment obligations of such term of comparable quality. Interim Indebtedness may be deemed to be Indebtedness which, at the date of its original incurrence, would meet the conditions specified in the statement of the Consultant as required in **Section 902**; provided that the Consultant shall for each annual period that the Debt Service Requirement is computed, provide a supplemental statement that at such period, the certifications contained in the statement are reasonable.

(2) Interest that is payable prior to the Stated Maturity of any Balloon Indebtedness, Put Indebtedness, Short-Term Indebtedness or Interim Indebtedness shall be taken into account for such appropriate period in computation of Debt Service Requirements. Interest payable at maturity or early redemption on Balloon Indebtedness, Put Indebtedness, Short-Term Indebtedness or Interim Indebtedness may either be amortized over the anticipated maturity or such longer period as is permitted under **Section 902** or **Section 214(a)(1)(D)** or may be treated as principal payable on the principal maturity date of such Balloon Indebtedness, Put Indebtedness, Short-Term Indebtedness or Interim Indebtedness.

(3) In measuring compliance with the applicable tests hereunder in connection with incurring Put Indebtedness and generally for purposes of determining the Debt Service Requirements relating thereto, Put Indebtedness shall be deemed to mature based upon the actual amortization requirements for the Put Indebtedness, only to the extent that the Issuer has a commitment to refinance such Put Indebtedness.

(b) **Debt Service Requirements on Discount Indebtedness.** At the election of the Issuer for the purpose of any computation of Debt Service Requirements, whether historical or projected, the principal and interest deemed payable on Discount Indebtedness shall be deemed to be payable as set forth below:

(1) If the Issuer has obtained a binding commitment of a bank or other financial institution (whose senior debt obligations, or the senior debt obligations of the holding company of which such bank or financial institution is the principal subsidiary, are then rated in at least the third-highest category (without respect to modifier) by any NRSRO) to refinance such Discount Indebtedness, or a portion thereof, including without limitation, a letter of credit or a line of credit, the Discount Indebtedness, or portion thereof to be refinanced, may be deemed to be payable in accordance with the terms of the refinancing arrangement;

(2) If the Issuer has entered into a binding agreement providing for the deposit with a bank or other financial institution (whose senior debt obligations, or the senior debt obligations of the holding company of which such bank or financial institution is the principal subsidiary, are then rated in at least the third-highest category (without respect to modifier) by any NRSRO), in trust (herein called a “Special Redemption Fund”) of amounts, less investment earnings realized and retained in the Special Redemption Fund, equal in aggregate to the principal amount of such Discount Indebtedness, or a portion thereof, and providing for the payment of such principal amount when due from the sums so deposited, and investment earnings realized thereon, then the Discount Indebtedness, or portion thereof, may be deemed to be payable in accordance with the terms of such agreement;

(3) If the Issuer has entered into arrangements or agreements with respect to the principal amount of such Discount Indebtedness, other than those referred to in subsections (1) and (2) above, which a Consultant in a certificate filed with the Issuer determines, taking into account the interests of the holders of System Indebtedness, provides adequate assurances that the Issuer will be able to meet the Debt Service Requirements due on such Indebtedness, the Discount Indebtedness may be deemed to be payable in accordance with the terms of such arrangement or agreement; or

(4) As of any time the maturity amount represented by Discount Indebtedness shall be deemed to be the accreted value of such Indebtedness computed on the basis of a constant yield to maturity.

(c) ***Debt Service Requirements on Variable Rate Indebtedness.*** When calculating interest requirements on Variable Rate Indebtedness which bears a variable rate of interest for periods as to which the rate of interest has not been determined, the rate of interest on Outstanding Variable Rate Indebtedness shall be the average annual rate of interest which was payable on such Variable Rate Indebtedness during the twelve (12) months immediately preceding the date as of which the calculation is made; and the rate of interest on Variable Rate Indebtedness to be incurred (or incurred less than twelve (12) months preceding such date) shall be the average annual rate of interest which would have been payable on such Variable Rate Indebtedness had it been outstanding for a period of twelve (12) months immediately preceding the date as of which the calculation is made, as evidenced in a certificate of a Consultant, delivered to the Issuer.

Section 212. Preliminary and Final Official Statement. The Preliminary Official Statement dated September 30, 2025, is hereby ratified and approved. For the purpose of enabling the Purchaser to comply with the requirements of Section (b)(1) of the SEC Rule, the Issuer hereby deems the information regarding the Issuer contained in the Preliminary Official Statement to be “final” as of its date, except for the omission of such information as is permitted by Section (b)(1) of the SEC Rule, and the appropriate officers of the Issuer are hereby authorized, if requested, to provide the Purchaser a letter or certification to such effect and to take such other actions or execute such other documents as such officers in their reasonable judgment deem necessary to enable the Purchaser to comply with the requirement of the SEC Rule.

The final Official Statement is hereby authorized to be prepared by supplementing, amending and completing the Preliminary Official Statement, with such changes and additions thereto as are necessary to conform to and describe the transaction. The Mayor or Chief Financial Officer are hereby authorized to execute the final Official Statement as so supplemented, amended and completed, and the use and public distribution of the final Official Statement by the Purchaser in connection with the reoffering of the Bonds is hereby authorized. The proper officials of the Issuer are hereby authorized to execute and deliver a certificate pertaining to such Official Statement as prescribed therein, dated as of the date of payment for and delivery of the Bonds.

The Issuer agrees to provide to the Purchaser within seven business days of the date of the sale of Bonds sufficient copies of the final Official Statement to enable the Purchaser to comply with the requirements of the SEC Rule and with the requirements of Rule G-32 of the Municipal Securities Rulemaking Board.

Section 213. Sale of the Series 2025 Bonds. The sale of the Series 2025 Bonds to the Purchaser is hereby ratified and confirmed. The Mayor and Clerk are hereby authorized to execute the official bid form submitted by the Purchaser. Delivery of the Series 2025 Bonds shall be made to the Purchaser as soon as practicable after the adoption of this Bond Resolution, upon payment of the Purchase Price.

ARTICLE III

REDEMPTION OF BONDS

Section 301. Redemption by Issuer. The Bonds shall be subject to redemption and payment prior to their Stated Maturity, as follows:

(a) ***Optional Redemption.***

(1) *Series 2025 Bonds.* At the option of the Issuer, Series 2025 Bonds maturing on October 1, in the years 2034 and thereafter will be subject to redemption and payment prior to their Stated Maturity on October 1, 2033, and thereafter as a whole or in part (selection of maturities and the amount of Series 2025 Bonds of each maturity to be redeemed to be determined by the Issuer in such equitable manner as it may determine) at any time, at the Redemption Price of 100% (expressed as a percentage of the principal amount), plus accrued interest thereon to the Redemption Date.

(2) *Additional Bonds.* Additional Bonds are subject to redemption and payment prior to Stated Maturity in accordance with the provisions of the supplemental resolution authorizing the issuance of such Additional Bonds.

(b) ***Mandatory Redemption.***

(1) *General.* The Term Bonds shall be subject to mandatory redemption and payment prior to Stated Maturity pursuant to the mandatory redemption requirements at a Redemption Price equal to 100% of the principal amount thereof plus accrued interest to the Redemption Date. At its option, to be exercised on or before the 45th day next preceding any mandatory Redemption Date, the Issuer may: (1) deliver to the Paying Agent for cancellation Term Bonds subject to mandatory redemption on said mandatory Redemption Date, in any aggregate principal amount desired; or (2) furnish the Paying Agent funds, together with appropriate instructions, for the purpose of purchasing any Term Bonds subject to mandatory redemption on said mandatory Redemption Date

from any Owner thereof whereupon the Paying Agent shall expend such funds for such purpose to such extent as may be practical; or (3) receive a credit with respect to the mandatory redemption obligation of the Issuer under this Section for any Term Bonds subject to mandatory redemption on said mandatory Redemption Date which, prior to such date, have been redeemed (other than through the operation of the mandatory redemption requirements of this subsection) and cancelled by the Paying Agent and not theretofore applied as a credit against any redemption obligation under this subsection. Each Term Bond so delivered or previously purchased or redeemed shall be credited at 100% of the principal amount thereof on the obligation of the Issuer to redeem Term Bonds of the same Stated Maturity on such mandatory Redemption Date, and any excess of such amount shall be credited on future mandatory redemption obligations for Term Bonds of the same Stated Maturity as designated by the Issuer, and the principal amount of Term Bonds to be redeemed by operation of the requirements of this Section shall be accordingly reduced. If the Issuer intends to exercise any option granted by the provisions of clauses (1), (2) or (3) above, the Issuer will, on or before the 45th day next preceding each mandatory Redemption Date, furnish the Paying Agent a written certificate indicating to what extent the provisions of said clauses (1), (2) and (3) are to be complied with, with respect to such mandatory redemption payment.

(2) [The Series 2025 Term Bonds. The Issuer shall from the payments specified in **Section 602** hereof which are to be deposited into the Debt Service Account redeem on October 1 in each year, the following principal amounts of Series 2025 Term Bonds:

<u>Principal Amount</u>	<u>Year</u>
\$	20__
	20__
	20__*

*Final Maturity

(3)] *Additional Bonds.* Additional Bonds designated as Term Bonds shall be subject to mandatory redemption in accordance with the provisions of the supplemental resolution authorizing such Additional Bonds.

Section 302. Selection of Bonds to be Redeemed. Bonds shall be redeemed only in an Authorized Denomination. When less than all of the Bonds are to be redeemed and paid prior to their Stated Maturity, such Bonds shall be redeemed in such manner as the Issuer shall determine. Bonds of less than a full Stated Maturity shall be selected by the Bond Registrar in a minimum Authorized Denomination of principal amount in such equitable manner as the Bond Registrar may determine.

In the case of a partial redemption of Bonds by lot when Bonds of denominations greater than a minimum Authorized Denomination are then Outstanding, then for all purposes in connection with such redemption a minimum Authorized Denomination of face value shall be treated as though it were a separate Bond of the denomination of a minimum Authorized Denomination. If it is determined that one or more, but not all, of a minimum Authorized Denomination of face value represented by any Bond is selected for redemption, then upon notice of intention to redeem a minimum Authorized Denomination, the Owner or the Owner's duly authorized agent shall forthwith present and surrender such Bond to the Bond Registrar: (1) for payment of the Redemption Price and interest to the Redemption Date of a minimum Authorized Denomination of face value called for redemption, and (2) for exchange, without charge to the Owner thereof, for a new Bond or Bonds of the aggregate principal amount of the unredeemed portion of the principal amount of such Bond. If the Owner of any such Bond fails to present such Bond to the Paying Agent for payment and exchange as aforesaid, such Bond shall, nevertheless, become due and payable on

the redemption date to the extent of a minimum Authorized Denomination of face value called for redemption (and to that extent only).

Section 303. Notice and Effect of Call for Redemption. In the event the Issuer desires to call the Bonds for redemption prior to maturity, written notice of such intent shall be provided to the Bond Registrar in accordance with K.S.A. 10-129, as amended, not less than 45 days prior to the Redemption Date. The Bond Registrar shall call Bonds for redemption and payment and shall give notice of such redemption as herein provided upon receipt by the Bond Registrar at least 45 days prior to the Redemption Date of written instructions of the Issuer specifying the principal amount, Stated Maturities, Redemption Date and Redemption Prices of the Bonds to be called for redemption. The foregoing provisions of this paragraph shall not apply in the case of any mandatory redemption of Term Bonds hereunder, and Term Bonds shall be called by the Paying Agent for redemption pursuant to such mandatory redemption requirements without the necessity of any action by the Issuer and whether or not the Paying Agent holds moneys available and sufficient to effect the required redemption.

Unless waived by any Owner of Bonds to be redeemed, if the Issuer shall call any Bonds for redemption and payment prior to the Stated Maturity thereof, the Issuer shall give written notice of its intention to call and pay said Bonds to the State Treasurer. In addition, the Issuer shall cause the Bond Registrar to give written notice of redemption to the Owners of said Bonds. Each of said written notices shall be deposited in the United States first class mail not less than 30 days prior to the Redemption Date.

All official notices of redemption shall be dated and shall contain the following information:

- (a) the Redemption Date;
- (b) the Redemption Price;
- (c) if less than all Outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption of any Bonds, the respective principal amounts) of the Bonds to be redeemed;
- (d) a statement that on the Redemption Date the Redemption Price will become due and payable upon each such Bond or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the Redemption Date; and
- (e) the place where such Bonds are to be surrendered for payment of the Redemption Price, which shall be the principal office of the Paying Agent.

The failure of any Owner to receive notice given as heretofore provided or an immaterial defect therein shall not invalidate any redemption.

Prior to any Redemption Date, the Issuer shall deposit with the Paying Agent an amount of money sufficient to pay the Redemption Price of all the Bonds or portions of Bonds that are to be redeemed on such Redemption Date.

For so long as the Securities Depository is effecting book-entry transfers of any series of Bonds, the Bond Registrar shall provide the notices specified in this Section to the Securities Depository. It is expected that the Securities Depository shall, in turn, notify its Participants and that the Participants, in turn, will notify or cause to be notified the Beneficial Owners. Any failure on the part of the Securities Depository or a Participant, or failure on the part of a nominee of a Beneficial Owner of a Bond (having been mailed notice from the Bond Registrar, the Securities Depository, a Participant or otherwise) to notify the Beneficial Owner of the Bond so affected, shall not affect the validity of the redemption of such Bond.

Official notice of redemption having been given as aforesaid, the Bonds or portions of Bonds to be redeemed shall become due and payable on the Redemption Date, at the Redemption Price therein specified, and from and after the Redemption Date (unless the Issuer defaults in the payment of the Redemption Price) such Bonds or portion of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with such notice, the Redemption Price of such Bonds shall be paid by the Paying Agent. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the Owner a new Bond or Bonds of the same Stated Maturity in the amount of the unpaid principal as provided herein. All Bonds that have been surrendered for redemption shall be cancelled and destroyed by the Paying Agent as provided herein and shall not be reissued.

In addition to the foregoing notice, the Issuer shall provide such notices of redemption as are required by the Disclosure Undertaking. Further notice may be given by the Issuer or the Bond Registrar on behalf of the Issuer as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if official notice thereof is given as above prescribed:

(a) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (1) the CUSIP numbers of all Bonds being redeemed; (2) the date of issue of the Bonds as originally issued; (3) the rate of interest borne by each Bond being redeemed; (4) the maturity date of each Bond being redeemed; and (5) any other descriptive information needed to identify accurately the Bonds being redeemed.

(b) Each further notice of redemption shall be sent at least one day before the mailing of notice to Owners by first class, registered or certified mail or overnight delivery, as determined by the Bond Registrar, to all registered securities depositories then in the business of holding substantial amounts of obligations of types comprising the Bonds and to one or more national information services that disseminate notices of redemption of obligations such as the Bonds.

(c) Each check or other transfer of funds issued for the payment of the Redemption Price of Bonds being redeemed shall bear or have enclosed the CUSIP number of the Bonds being redeemed with the proceeds of such check or other transfer.

The Paying Agent is also directed to comply with any mandatory standards then in effect for processing redemptions of municipal securities established by the State or the Securities and Exchange Commission. Failure to comply with such standards shall not affect or invalidate the redemption of any Bond.

ARTICLE IV

SECURITY FOR BONDS

Section 401. Security for the Bonds. The Bonds shall be special obligations of the Issuer payable solely from, and secured as to the payment of principal and interest by a pledge of, the Gross Revenues, and the Issuer hereby pledges said Gross Revenues to the payment of the principal of and interest on the Bonds. The Bonds shall not be or constitute a general obligation of the Issuer, nor shall they constitute an indebtedness of the Issuer within the meaning of any constitutional, statutory or charter provision, limitation or restriction, and the taxing power of the Issuer is not pledged to the payment of the Bonds, either as to principal or interest.

The covenants and agreements of the Issuer contained herein and in the Bonds shall be for the equal benefit, protection and security of the legal owners of any or all of the Bonds, all of which Bonds shall be of equal rank and without preference or priority of one Bond over any other Bond in the application of the funds herein pledged to the payment of the principal of and the interest on the Bonds, or otherwise, except as to rate of interest, date of maturity and right of prior redemption as provided in this Bond Resolution. The Bonds shall stand on a parity and be equally and ratably secured with respect to the payment of principal and interest from the Gross Revenues and in all other respects with any Parity Bonds and Parity Obligations. The Bonds shall not have any priority with respect to the payment of principal or interest from said income and revenues or otherwise over the Parity Bonds and Parity Obligations and the Parity Bonds and Parity Obligations shall not have any priority with respect to the payment of principal or interest from said income and revenues or otherwise over the Bonds.

Section 505. Application of Moneys in the Rebate Fund.

(a) There shall be deposited in the Rebate Fund such amounts as are required to be deposited therein pursuant to the Federal Tax Certificate. All money at any time deposited in the Rebate Fund shall be held in trust, to the extent required to satisfy the Rebate Amount (as defined in the Federal Tax Certificate), for payment to the United States of America, and neither the Issuer nor the Owner of any Series 2025 Bonds shall have any rights in or claim to such money. All amounts deposited into or on deposit in the Rebate Fund shall be governed by this Section and the Federal Tax Certificate.

(b) The Issuer shall periodically determine the rebatable arbitrage, if any, under Code § 148(f) in accordance with the Federal Tax Certificate, and the Issuer shall make payments to the United States of America at the times and in the amounts determined under the Federal Tax Certificate. Any moneys remaining in the Rebate Fund after redemption and payment of all of the Series 2025 Bonds and payment and satisfaction of any Rebate Amount, or provision made therefor, shall be deposited into the Revenue Fund.

(c) Notwithstanding any other provision of this Bond Resolution, including in particular **Article XI** hereof, the obligation to pay rebatable arbitrage to the United States of America and to comply with all other requirements of this Section and the Federal Tax Certificate shall survive the defeasance or payment in full of the Series 2025 Bonds.

Section 506. Application of Moneys in the Costs of Issuance Account. Moneys in the Costs of Issuance Account shall be used by the Issuer to pay the Costs of Issuance. Any funds remaining in the Costs of Issuance Account, after payment of all Costs of Issuance, but not later than the later of 30 days prior to the first Stated Maturity of principal or one year after the date of issuance of the Series 2025 Bonds, shall be transferred to the Project Fund until completion of the Project and thereafter to the Debt Service Account.

Section 507. Application of Moneys in the Debt Service Reserve Fund.

(a) Any series of Parity Bonds may be, but is not required to be, secured by the Debt Service Reserve Fund or an account thereof. The City may, in the future pursuant to the terms of a Parity Resolution, establish a Common Debt Service Reserve Account within the Debt Service Reserve Fund which shall be funded to secure the Covered Bonds in an amount equal to the Common Debt Service Reserve Requirement.

If the City determines that a series of Parity Bonds will not be secured by the Common Debt Service Reserve Account, the City may, in the future pursuant to the terms of a Parity Resolution, establish a Series Debt Service Reserve Account within the Debt Service Reserve Fund and establish a related Series Debt Service Reserve Requirement. The Series Debt Service Reserve Account may be established for the benefit of one or more series of Parity Bonds as set forth in the Parity Resolution. Amounts held in an account of the Debt Service Reserve Fund shall be applied only to prevent deficiencies in the payments of principal of and interest on the related series of Bonds which have a claim on such account. All amounts paid and credited to any account within the Debt Service Reserve Fund shall be expended and used by the Issuer solely to prevent any default in the payment of interest on or principal of the applicable series of Parity Bonds on any Maturity date or Interest Payment Date if the moneys in the respective debt service accounts are insufficient to pay the Debt Service Requirements of said Parity Bonds as they become due.

(b) So long as each account established within the Debt Service Reserve Fund aggregates the applicable Debt Service Reserve Requirement, no further payments into said account shall be required, but if the Issuer is ever required to expend and use a part of the moneys in said account and such expenditure reduces the amount of the applicable account within the Debt Service Reserve Fund below the applicable Debt Service Reserve Requirement, or if the valuation of any account within the Debt Service Reserve Fund as provided in **Section 701(b)** establishes that the value of such account is less than 90% of the amount of the applicable Debt Service Reserve Requirement, the Issuer shall transfer all available Gross Revenues after providing for the transfers set forth in **Section 602(a) and (b)** into the applicable account within the Debt Service Reserve Fund until such account shall again aggregate the applicable Debt Service Reserve Requirement.

(c) Moneys in accounts within the Debt Service Reserve Fund may be used to call the applicable series of Parity Bonds for redemption and payment prior to their Stated Maturity or may be used to pay and retire the applicable series of Parity Bonds and interest thereon; provided that after such redemption or payment there shall remain in the applicable account within Debt Service Reserve Fund an amount equal to the applicable Debt Service Reserve Requirement.

(d) Any amounts in any account within the Debt Service Reserve Fund in excess of the applicable Debt Service Reserve Requirement on any valuation date shall be transferred to the Debt Service Account and used to pay the principal of and interest on the series of Parity Bonds to which such account is related.

ARTICLE VI

COLLECTION AND APPLICATION OF REVENUES

Section 601. Revenue Fund. The Issuer covenants and agrees that from and after the delivery of the Series 2025 Bonds and continuing as long as any of the Bonds remain Outstanding hereunder, all of the Gross Revenues shall as and when received be paid and deposited into the Revenue Fund. Said Gross Revenues shall be segregated and kept separate and apart from all other moneys, revenues, Funds and Accounts of the Issuer and shall not be commingled with any other moneys, revenues, Funds and Accounts of the Issuer. The Revenue Fund shall be administered and applied solely for the purposes and in the manner provided in the Parity Resolution, except as may be modified by the provisions of the Parity Resolution.

Section 602. Application of Moneys in Funds and Accounts. The Issuer covenants and agrees that from and after the delivery of the Series 2025 Bonds and continuing so long as any of the Bonds shall

remain Outstanding, it will on the first day of each month administer and allocate all of the moneys then held in the Revenue Fund as set forth below.

The following transfers shall be made on a parity of lien basis with the transfers and requirements of the Parity Resolutions.

(a) **Debt Service Account.** There shall first be paid and credited monthly to the Debt Service Account, to the extent necessary to meet on each Bond Payment Date, the payment of all interest on and principal of the Series 2025 Bonds, the following sums:

(1) Beginning with the first of said monthly deposits and continuing on the first day of each month thereafter, an equal pro rata portion of the amount of interest becoming due on the Series 2025 Bonds on April 1, 2026; and thereafter, beginning on April 1, 2026, and continuing on the first day of each month thereafter so long as any of the Series 2025 Bonds remain Outstanding an amount not less than 1/6 equal pro rata portion of the amount of interest that will become due on the Series 2025 Bonds on the next succeeding Interest Payment Date; and

(2) Beginning with the first of said monthly deposits and continuing on the first day of each month thereafter, so long as any of the Series 2025 Bonds remain Outstanding, an amount not less than 1/12 equal pro rata portion of the amount of principal that will become due on the Series 2025 Bonds on the next succeeding Maturity date.

The amounts required to be paid and credited to the Debt Service Account pursuant to this Section shall be made at the same time and on a parity with the amounts at the time required to be paid and credited to the debt service accounts established for the payment of the Debt Service Requirements on Parity Bonds and Parity Obligations under the provisions of the Parity Resolution(s).

Any amounts deposited in the Debt Service Account in accordance with **Section 502(a)** hereof shall be credited against the Issuer's payment obligations as set forth in subsection (a)(1) of this Section.

All amounts paid and credited to the Debt Service Account shall be expended and used by the Issuer for the sole purpose of paying the Debt Service Requirements of the Series 2025 Bonds as and when the same become due at Maturity and on each Interest Payment Date.

If at any time the moneys in the Revenue Fund are insufficient to make in full the payments and credits at the time required to be made to the Debt Service Account and to the debt service accounts established to pay the principal of and interest on any Parity Bonds or Parity Obligations, the available moneys in the Revenue Fund shall be divided among such debt service accounts in proportion to the respective principal amounts of said series of Bonds at the time Outstanding which are payable from the moneys in said debt service accounts.

(b) **Operation and Maintenance.** There shall next be paid and credited from month to month as a charge against the Revenue Fund, the Expenses as the same become due and payable.

(c) **Debt Service Reserve Fund.** There shall next be paid and credited monthly to the Debt Service Reserve Fund, an amount sufficient to fund the applicable accounts within the Debt Service Reserve Fund to their Debt Service Reserve Requirement, as set forth in **Section 507(b)**.

(d) **Debt Service Accounts – Junior Lien Obligations.** There shall next be paid and credited monthly to the debt service account(s) for any Junior Lien Obligations, to the extent necessary to meet on each Bond Payment Date an amount equal to the payment of all interest on and principal of any Junior Lien

Obligations. The amounts required to be paid and credited to the debt service account(s) for any Junior Lien Obligations shall be made at the same time and on a parity with the amounts at the time required to be paid and credited to other debt service accounts established for the payment of the Debt Service Requirements on any Junior Lien Obligations.

(e) ***Debt Service Accounts – Subordinate Lien Bonds.*** There shall next be paid and credited monthly to the debt service account(s) for any Subordinate Lien Bonds, to the extent necessary to meet on each Bond Payment Date an amount equal to the payment of all interest on and principal of any Subordinate Lien Bonds. The amounts required to be paid and credited to the debt service account(s) for any Subordinate Lien Bonds shall be made at the same time and on a parity with the amounts at the time required to be paid and credited to other debt service accounts established for the payment of the Debt Service Requirements on any Subordinate Lien Bonds.

(f) ***Depreciation and Replacement Account.*** After all payments and credits required at the time to be made under the provisions of the preceding subsections have been made, there shall next be paid and credited to the Depreciation and Replacement Account an amount determined by the governing body of the City. Except as hereinafter provided, moneys in the Depreciation and Replacement Account shall be expended and used by the Issuer, if no other funds are available therefor, solely for the purpose of making emergency replacements and repairs in and to the System as may be necessary to keep the System in good repair and working order and to assure the continued effective and efficient operation thereof.

(g) ***Surplus Moneys.*** After all payments and credits required at the time to be made under the provisions of the preceding subsections have been made, all moneys remaining in the Revenue Fund may be expended and used for the following purposes as determined by the governing body of the Issuer:

(1) Paying the cost of the operation, maintenance and repair of the System to the extent that may be necessary after the application of the moneys held in the Operation and Maintenance Account under the provisions of paragraph (a) of this Section;

(2) Paying the cost of extending, enlarging or improving the System;

(3) Preventing default in, anticipating payments into or increasing the amounts in the Debt Service Account, any debt service account for Parity Bonds or Parity Obligations, the Debt Service Reserve Fund or the Depreciation and Replacement Account referred to in this Section, or any one of them, or establishing or increasing the amount of any debt service account or debt service reserve account created by the Issuer for the payment of any Parity Bonds or Parity Obligations;

(4) Calling, redeeming and paying prior to Stated Maturity, or, at the option of the Issuer, purchasing in the open market at the best price obtainable not exceeding the redemption price (if any bonds are callable), any Bonds, including principal, interest and redemption premium, if any; or

(5) Any other lawful purpose in connection with the operation of the System and benefiting the System.

(6) To make transfers to the Revenue Fund.

(7) To make lawful transfers to any fund of the Issuer.

So long as any of the Bonds remain Outstanding, no moneys derived from the operation of the System shall be diverted to any other purpose.

(h) **Deficiency of Payments into Funds and Accounts.** If at any time the Gross Revenues are insufficient to make any payment on the date or dates hereinbefore specified, the Issuer will make good the amount of such deficiency by making additional payments or credits out of the first available Gross Revenues, such payments and credits being made and applied in the order specified in this Section.

Section 603. Transfer of Funds to Paying Agent. The Treasurer of the Issuer is hereby authorized and directed to withdraw from the Debt Service Account, and, to the extent necessary to prevent a default in the payment of either principal of or interest on the Bonds, from the Debt Service Reserve Fund and the Depreciation and Replacement Account as provided in **Section 602** hereof, sums sufficient to pay the principal of and interest on the Bonds as and when the same become due on any Bond Payment Date, and to forward such sums to the Paying Agent in a manner which ensures the Paying Agent will have available funds in such amounts on or before the Business Day immediately preceding each Bond Payment Date. All moneys deposited with the Paying Agent shall be deemed to be deposited in accordance with and subject to all of the provisions contained in this Bond Resolution.

Section 604. Payments Due on Saturdays, Sundays and Holidays. In any case where a Bond Payment Date is not a Business Day, then payment of principal, Redemption Price or interest need not be made on such Bond Payment Date but may be made on the next succeeding Business Day with the same force and effect as if made on such Bond Payment Date, and no interest shall accrue for the period after such Bond Payment Date.

ARTICLE VII

DEPOSIT AND INVESTMENT OF MONEYS

Section 701. Deposits and Investment of Moneys.

(a) Moneys in each of the Funds and Accounts shall be deposited in accordance with laws of the State, in a bank, savings and loan association or savings bank organized under the laws of the State, any other state or the United States: (a) which has a main or branch office located in the Issuer; or (b) if no such entity has a main or branch office located in the Issuer, with such an entity that has a main or branch office located in the county or counties in which the Issuer is located. All such depositories shall be members of the Federal Deposit Insurance Corporation, or otherwise as permitted by State law. All such deposits shall be invested in Permitted Investments as set forth in this Article or shall be adequately secured as provided by the laws of the State. All moneys held in the Funds and Accounts shall be kept separate and apart from all other funds of the Issuer so that there shall be no commingling with any other funds of the Issuer.

(b) Moneys held in any Fund or Account may be invested in accordance with this Bond Resolution and the Federal Tax Certificate, in Permitted Investments; provided, however, that no such investment shall be made for a period extending longer than to the date when the moneys invested may be needed for the purpose for which such fund was created. All earnings on any investments held in any Fund or Account shall accrue to and become a part of such Fund or Account. All earnings on investments held in the Debt Service Reserve Fund shall accrue to and become a part of the Debt Service Reserve Fund until the amount on deposit in the Debt Service Reserve Fund shall aggregate the Debt Service Reserve Requirement; thereafter, all such earnings shall be credited to the Debt Service Account and any debt service account for Parity Bonds or Parity Obligations on a pro rata basis. All earnings on investments held in the Depreciation and Replacement Account shall accrue to and become a part of the Depreciation and Replacement Account or the Revenue Fund, as directed by the governing body of the City.

In determining the amount held in any Fund or Account under any of the provisions of this Bond Resolution, Permitted Investments shall be valued at the lower of the cost or the market value thereof. Such valuation shall be made as of the final Stated Maturity of principal of any Fiscal Year that the Bonds remain Outstanding and may be made in conjunction with redemption of any Bonds. If and when the amount held in any Fund or Account shall be in excess of the amount required by the provisions of this Bond Resolution, the Issuer shall direct that such excess be paid and credited to the Revenue Fund.

(c) So long as any of the Parity Bonds remain Outstanding, any investments made pursuant to this Section shall be subject to any restrictions in the Parity Resolution with respect to the Funds and Accounts created by and referred to in the Parity Resolution.

ARTICLE VIII

GENERAL COVENANTS AND PROVISIONS

The Issuer covenants and agrees with each of the Owners of any of the Bonds that so long as any of the Bonds remain Outstanding and unpaid it will comply with each of the following covenants:

Section 801. Efficient and Economical Operation. The Issuer will continuously own and will operate the System as a revenue producing facility in an efficient and economical manner and will keep and maintain the same in good repair and working order.

Section 802. Rate Covenant.

(a) The Issuer, in accordance with and subject to applicable legal requirements, will fix, establish, maintain and collect such rates and charges for the use and services furnished by or through the System as will produce Gross Revenues sufficient to (1) enable the Issuer to have in each Fiscal Year, a Debt Service Coverage Ratio of not less than **1.20** on all Parity Bonds and Parity Obligations at the time Outstanding; (2) pay the Expenses; (3) enable the Issuer to have in each Fiscal Year, a Debt Service Coverage Ratio of not less than **1.00** on any Junior Lien Obligations and Subordinate Lien Bonds at the time Outstanding; and (4) provide reasonable and adequate reserves for the payment of the Bonds and the interest thereon and for the protection and benefit of the System as provided in this Bond Resolution. To the extent the Issuer has made or will make interfund transfers to the Revenue Fund or has made or will make transfers from other Issuer funds and accounts directly to the Paying Agent, or there are other credits to the revenue of the System, for the purpose of paying all or a portion of the Debt Service Requirement on any Subordinate Lien Bonds that constitute general obligations of the Issuer, such transfers shall constitute Gross Revenues for purposes of this **Section 802(a)**.

(b) The Issuer will require the prompt payment of accounts for service rendered by or through the System and will promptly take whatever action is legally permissible to enforce and collect delinquent charges. The Issuer will, from time to time as often as necessary, in accordance with and subject to applicable legal requirements, revise the rates and charges aforesaid in such manner as may be necessary or proper so that the Gross Revenues and other available funds will be sufficient to cover the obligations under this Section and otherwise under the provisions of this Bond Resolution.

Section 803. Reasonable Charges for all Services. None of the facilities or services provided by the System will be furnished to any user (excepting the Issuer itself) without a reasonable charge being made therefor. If the Gross Revenues derived from the System are at any time insufficient to pay the reasonable Expenses and also to pay the Debt Service Requirements of the Bonds and Additional Obligations as and when the same become due, then the Issuer will thereafter pay into the Revenue Fund a

fair and reasonable payment in accordance with effective applicable rates and charges for all services or other facilities furnished to the Issuer or any of its departments by the System, and such payments will continue so long as the same may be necessary in order to prevent or reduce the amount of any default in the payment of the Debt Service Requirements of the Bonds and Additional Obligations.

Section 804. Restrictions on Mortgage or Sale of System. The Issuer will not mortgage, pledge or otherwise encumber the System or any part thereof, nor will it sell, lease or otherwise dispose of the System or any material part thereof; provided, however, the Issuer may:

(a) sell at fair market value any portion of the System which has been replaced by other similar property of at least equal value, or which ceases to be necessary for the efficient operation of the System, and in the event of sale, the Issuer will apply the proceeds to either (1) redemption of Outstanding Bonds in accordance with the provisions governing repayment of Bonds in advance of Stated Maturity, or (2) replacement of the property so disposed of by other property the revenues of which shall be incorporated into the System as hereinbefore provided;

(b) cease to operate, abandon or otherwise dispose of any property which has become obsolete, nonproductive or otherwise unusable to the advantage of the Issuer;

(c) sell, lease or convey all or substantially all of the System to another entity or enter into a management contract with another entity if:

(1) The transferee entity is a political subdivision organized and existing under the laws of the State, or instrumentality thereof, or an organization described in Code § 501(c)(3), and expressly assumes in writing the due and punctual payment of the principal of and premium, if any, and interest on all outstanding System Indebtedness according to their tenor, and the due and punctual performance and observance of all of the covenants and conditions of this Bond Resolution;

(2) If there remains unpaid any System Indebtedness which bears interest that is not includable in gross income under the Code, the Issuer receives an opinion of Bond Counsel, in form and substance satisfactory to the Issuer, to the effect that under then existing law the consummation of such sale, lease or conveyance, whether or not contemplated on any date of the delivery of such System Indebtedness, would not cause the interest payable on such System Indebtedness to become includable in gross income under the Code;

(3) The Issuer receives a certificate of the Consultant which demonstrates and certifies that immediately upon such sale or conveyance the transferee entity will not, as a result thereof, be in default in the performance or observance of any covenant or agreement to be performed or observed by it under this Bond Resolution; and

(4) The Issuer receives an opinion of Bond Counsel, in form and substance satisfactory to the Issuer, as conclusive evidence that any such sale, lease or conveyance, and any such assumption, is permitted by law and complies with the provisions of this Section.

Section 805. Books, Records and Accounts. The Issuer will install and maintain proper books, records and accounts (entirely separate from all other records and accounts of the Issuer) in which complete and correct entries will be made of all dealings and transactions of or in relation to the System. Such accounts shall show the amount of Gross Revenues received from the System, the application of such funds, and all financial transactions in connection therewith. Said books shall be kept by the Issuer according to standard accounting practices as applicable to the operation of municipal utilities.

Section 806. Annual Budget. Prior to the commencement of each Fiscal Year, the Issuer will cause to be prepared and filed with the Clerk a budget setting forth the estimated receipts and expenditures of the System for the next succeeding Fiscal Year. Said annual budget shall be prepared in accordance with the requirements of the laws of the State.

Section 807. Annual Audit. Annually, promptly after the end of the Fiscal Year, the Issuer will cause an audit to be made of the financial statements System for the preceding Fiscal Year by an Independent Accountant to be employed for that purpose and paid from the Gross Revenues. Said annual audit shall cover in reasonable detail the operation of the System during such Fiscal Year.

As soon as possible after the completion of the annual audit, the governing body of the Issuer shall review the report of such audit, and if the audit report discloses that proper provision has not been made for all of the requirements of this Bond Resolution and the Act, the Issuer will promptly cure such deficiency and will promptly proceed to modify the rates and charges to be charged for the use and services furnished by the System or take such other action as may be necessary to adequately provide for such requirements.

Section 808. Right of Inspection. The Owner or Owners of 10% of the principal amount of the Bonds then Outstanding shall have the right at all reasonable times to inspect the System and all records, accounts and data relating thereto, and shall be furnished all such information concerning the System and the operation thereof which the Purchaser or such Owner or Owners may reasonably request.

Section 809. Performance of Duties and Covenants. The Issuer will faithfully and punctually perform all duties, covenants and obligations with respect to the operation of the System now or hereafter imposed upon the Issuer by the Constitution and laws of the State and by the provisions of this Bond Resolution.

Section 810. Parity Bond Certification. The Issuer hereby represents and covenants that the Series 2025 Bonds directed to be issued by this Bond Resolution are so issued in full compliance with the restrictions and conditions upon which the Issuer may issue Additional Bonds payable out of the Revenues derived from the operation of the System and which stand on a parity with the Parity Bonds issued and Outstanding, as set forth and contained in the Parity Resolution, and that the Series 2025 Bonds herein directed to be issued are so issued in all respects on a parity and equality with the Parity Bonds issued and Outstanding.

ARTICLE IX

ADDITIONAL BONDS AND OBLIGATIONS

Section 901. Senior Lien Bonds. The Issuer covenants and agrees that so long as any of the Parity Bonds remain Outstanding, the Issuer will not issue any System Indebtedness payable out of the Gross Revenues which are superior to the Parity Bonds with respect to the lien on the Gross Revenues.

Section 902. Parity Bonds and Parity Obligations. The Issuer covenants and agrees that it will not issue any System Indebtedness which stands on a parity or equality of lien against the Gross Revenues with the Parity Bonds unless the following conditions are met:

(a) The Issuer shall not be in default in the payment of principal of or interest on any Parity Bonds or Parity Obligations at the time Outstanding or in making any payment at the time required to be made into the respective Funds and Accounts created by and referred to in this Bond Resolution or any

Parity Resolution (unless such System Indebtedness is being issued to provide funds to cure such default) nor shall any other Event of Default have occurred and be continuing;

(b) The Issuer shall deliver the following:

(1) **Long-Term Indebtedness.** A certificate signed by the Issuer evidencing **either** of the following:

(i) The Debt Service Coverage Ratio for the Fiscal Year immediately preceding the issuance of such System Indebtedness, as reflected by information provided by the Independent Accountant, shall be not less than **1.60**, including the System Indebtedness proposed to be issued. In the event that the Issuer has instituted any increase in rates for the use and services of the System and such increase shall not have been in effect during the full Fiscal Year immediately preceding the issuance of such proposed System Indebtedness, the additional Net Revenues which would have resulted from the operation of the System during said preceding Fiscal Year had such rate increase been in effect for the entire period may be added to the stated Net Revenues for the calculation of the Debt Service Coverage Ratio, provided that such estimated additional Net Revenues shall be determined by a Consultant; or

(ii) The estimated Debt Service Coverage Ratio (as determined by a Consultant), for the Fiscal Year immediately following the Fiscal Year in which the project, the cost of which is being financed by such System Indebtedness, is to be in commercial operation, shall be not less than **1.60**, including the System Indebtedness proposed to be issued. In the event that the Issuer anticipates additional Gross Revenues or other credits to the revenues of the System as a result of expansion or modification of the System by such System Indebtedness, the Issuer may adjust the estimated Net Revenues in determining the Debt Service Coverage Ratio, by adding thereto any estimated increase in Net Revenues resulting from any increase in Gross Revenues or other credits to the revenues of the System, which, in the opinion of the Consultant, are reasonable based on projected operations of the System for such Fiscal Year.

(2) **Short-Term Indebtedness.** A certificate signed by the Issuer evidencing any **one** of the following:

(i) The principal amount of all Outstanding Short-Term Indebtedness does not exceed 15% of the Gross Revenues for the most recently ended Fiscal Year for which financial information is available from the Independent Accountant;

(ii) The Short-Term Indebtedness could be incurred under **subsection (b)(1)** hereof assuming it was Long-Term Indebtedness; or

(iii) There is delivered to the Issuer a certificate of a Consultant to the effect that it is such Consultant's opinion that it is reasonable to assume that the Issuer will be able to refinance such Short-Term Indebtedness prior to its Stated Maturity in compliance with the provisions of this Section and the conditions described in **subsection (b)(1)** are met with respect to such Short-Term Indebtedness when it is assumed that such Short-Term Indebtedness is Long-Term Indebtedness maturing over 20 years (or such shorter period as such Consultant indicates is reasonable to assume in such statement) from the date of issuance of the Short-Term Indebtedness and bears interest on the unpaid principal balance at the Index Rate and is payable on a level annual debt service basis over a 20-year period

(or such shorter period as such Consultant indicates is reasonable to assume in such statement).

(3) **Interim Indebtedness.** A certificate signed by the Issuer evidencing *either* of the following:

(i) The Interim Indebtedness could be incurred under **subsection (b)(1)** hereof assuming it was Long-Term Indebtedness; or

(ii) There is delivered to the Issuer a certificate of a Consultant to the effect that it is such Consultant's opinion that it is reasonable to assume that the Issuer will be able to refinance such Interim Indebtedness prior to its Stated Maturity in compliance with the provisions of this Section and the conditions described in **subsection (b)(1)** are met with respect to such Interim Indebtedness when it is assumed that such Interim Indebtedness is Long-Term Indebtedness maturing over 20 years (or such shorter period as such Consultant indicates is reasonable to assume in such statement) from the date of issuance of the Interim Indebtedness and bears interest on the unpaid principal balance at the Index Rate and is payable on a level annual debt service basis over a 20-year period (or such shorter period as such Consultant indicates is reasonable to assume in such statement).

(c) When the issuance of System Indebtedness of equal stature and priority is permitted by the statutes of the State.

(d) The ordinance and/or resolution authorizing such System Indebtedness shall contain or provide for substantially the same terms, conditions, covenants and procedures as established in this Bond Resolution.

Notwithstanding the foregoing restrictions, additional System Indebtedness may be issued under this Section if it is necessary: (1) in the opinion of the Consulting Engineer to do so to repair the System if damaged or destroyed by disaster to such extent necessary to keep it in good operating condition; or (2) in the opinion of the Issuer's legal counsel to remedy any deficiency of the System relating to environmental pollution matters or to comply with the requirements of any governmental agency having jurisdiction over the Issuer with respect thereto.

Additional System Indebtedness issued under the conditions set forth in this Section shall stand on a parity with the Parity Bonds and Parity Obligations and shall enjoy complete equality or lien on and claim against the Gross Revenues, and the Issuer may make equal provision for paying the Debt Service Requirements on such System Indebtedness out of the Revenue Fund and may likewise provide for the creation of reasonable debt service accounts and debt service reserve accounts for the payment of the Debt Service Requirements on such System Indebtedness and the interest thereon out of moneys in the Revenue Fund.

Section 903. Junior Lien Obligations. Nothing in this Article shall prohibit or restrict the right of the Issuer to issue Junior Lien Obligations for any lawful purpose in connection with the operation of and benefiting the System and to provide that the Debt Service Requirements on such Junior Lien Obligations shall be payable out of the Gross Revenues, provided at the time of the issuance of such Junior Lien Obligations the Issuer is not in default in the performance of any covenant or agreement contained in the Bond Resolution (unless such System Indebtedness shall be issued to cure such default and shall be junior and subordinate to the Parity Bonds and Parity Obligations) so that if at any time the Issuer shall be in default in paying either interest on or principal of the Parity Bonds or Parity Obligations, or of the Issuer is in default in making debt service, operation and maintenance or debt service reserve deposits or payments

required to be made by it under the Bond Resolution, the Issuer shall make no payments of either principal or interest on said Junior Lien Obligations until said default or defaults be cured.

Section 904. Subordinate Lien Bonds. Nothing in this Article shall prohibit or restrict the right of the Issuer to issue Subordinate Lien Bonds for any lawful purpose in connection with the operation of and benefiting the System and to provide that the Debt Service Requirements on such Subordinate Lien Bonds shall be payable out of the Gross Revenues, provided at the time of the issuance of such Subordinate Lien Bonds the Issuer is not in default in the performance of any covenant or agreement contained in the Bond Resolution (unless such System Indebtedness shall be issued to cure such default and shall be junior and subordinate to the Parity Bonds, Parity Obligations and Junior Lien Obligations) so that if at any time the Issuer shall be in default in paying either interest on or principal of the Parity Bonds, Parity Obligations and Junior Lien Bonds, or of the Issuer is in default in making debt service, operation and maintenance or debt service reserve deposits or payments required to be made by it under the Bond Resolution, the Issuer shall make no payments of either principal or interest on said Subordinate Lien Bonds until said default or defaults be cured. Such Subordinate Lien Bonds may also constitute general obligations of the Issuer.

Section 905. Refunding Bonds. The Issuer shall have the right, without complying with the provisions of **Section 902** hereof, to issue Refunding Bonds for the purpose of refunding any of the System Indebtedness under the provisions of any law then available, and the Refunding Bonds so issued shall enjoy complete equality of pledge as did the System Indebtedness that was refunded.

ARTICLE X

DEFAULT AND REMEDIES

Section 1001. Remedies. The provisions of this Bond Resolution, including the covenants and agreements herein contained, shall constitute a contract between the Issuer and the Owners of the Bonds. If an Event of Default occurs and shall be continuing, the Owner or Owners of not less than 10% in principal amount of the Bonds at the time Outstanding shall have the right for the equal benefit and protection of all Owners of Bonds similarly situated:

(a) by mandamus or other suit, action or proceedings at law or in equity to enforce the rights of such Owner or Owners against the Issuer and its officers, agents and employees, and to require and compel duties and obligations required by the provisions of the Bond Resolution or by the Constitution and laws of the State;

(b) by suit, action or other proceedings in equity or at law to require the Issuer, its officers, agents and employees to account as if they were the trustees of an express trust; and

(c) by suit, action or other proceedings in equity or at law to enjoin any acts or things which may be unlawful or in violation of the rights of the Owners of the Bonds.

The Issuer hereby directs the Paying Agent to notify the Owners and Bond Insurer of any Event of Default of which it has actual notice.

Section 1002. Limitation on Rights of Owners. The covenants and agreements of the Issuer contained herein and in the Bonds shall be for the equal benefit, protection, and security of the Owners of any or all of the Bonds, all of which Bonds of any series shall be of equal rank and without preference or priority of one Bond over any other Bond in the application of the Funds and Accounts herein pledged to the payment of the principal of and the interest on the Bonds, or otherwise, except as to rate of interest, date

of maturity and right of prior redemption as provided in this Bond Resolution. No one or more Owners secured hereby shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security granted and provided for herein, or to enforce any right hereunder, except in the manner herein provided, and all proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all Owners of such Outstanding Bonds.

Section 1003. Remedies Cumulative. No remedy conferred herein upon the Owners is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and in addition to every other remedy and may be exercised without exhausting and without regard to any other remedy conferred herein. No waiver of any default or breach of duty or contract by the Owner of any Bond shall extend to or affect any subsequent default or breach of duty or contract or shall impair any rights or remedies thereon. No delay or omission of any Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein. Every substantive right and every remedy conferred upon the Owners of the Bonds by this Bond Resolution may be enforced and exercised from time to time and as often as may be deemed expedient. If action or proceedings taken by any Owner on account of any default or to enforce any right or exercise any remedy has been discontinued or abandoned for any reason, or shall have been determined adversely to such Owner, then, and in every such case, the Issuer and the Owners of the Bonds shall, subject to any determination in such action or proceeding or applicable law of the State, be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Owners shall continue as if no such suit, action or other proceedings had been brought or taken.

Section 1004. No Obligation to Levy Taxes. Nothing contained in this Bond Resolution shall be construed as imposing on the Issuer any duty or obligation to levy any taxes either to meet any obligation incurred herein or to pay the principal of or interest on the Bonds.

ARTICLE XI

DEFEASANCE

Section 1101. Defeasance. When any or all of the Bonds, redemption premium, if any, or scheduled interest payments thereon have been paid and discharged, then the requirements contained in this Bond Resolution and the pledge of the Gross Revenues hereunder and all other rights granted hereby shall terminate with respect to the Bonds or scheduled interest payments thereon so paid and discharged. Bonds, redemption premium, if any, or scheduled interest payments thereon shall be deemed to have been paid and discharged within the meaning of this Bond Resolution if there has been deposited with the Paying Agent, or other commercial bank or trust company located in the State and having full trust powers, at or prior to the Stated Maturity or Redemption Date of said Bonds or the interest payments thereon, in trust for and irrevocably appropriated thereto, moneys and/or Defeasance Obligations which, together with the interest to be earned on any such Defeasance Obligations, will be sufficient for the payment of the principal or Redemption Price of said Bonds and/or interest accrued to the Stated Maturity or Redemption Date, or if default in such payment has occurred on such date, then to the date of the tender of such payments. If the amount to be so deposited is based on the Redemption Price of any Bonds, no such satisfaction shall occur until: (a) the Issuer has elected to redeem such Bonds, and (b) either notice of such redemption has been given, or the Issuer has given irrevocable instructions, or shall have provided for an escrow agent to give irrevocable instructions, to the Bond Registrar to give such notice of redemption in compliance with **Section 303** of this Bond Resolution. Any money and Defeasance Obligations that at any time shall be deposited with the Paying Agent or other commercial bank or trust company by or on behalf of the Issuer, for the purpose of paying and discharging any of the Bonds, shall be and are hereby assigned, transferred and set over to the Paying Agent or other bank or trust company in trust for the respective Owners of the Bonds,

and such moneys shall be and are hereby irrevocably appropriated to the payment and discharge thereof. All money and Defeasance Obligations deposited with the Paying Agent or such bank or trust company shall be deemed to be deposited in accordance with and subject to all of the provisions of this Bond Resolution.

ARTICLE XII

TAX COVENANTS

Section 1201. General Covenants. The Issuer covenants and agrees that it will comply with: (a) all applicable provisions of the Code necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on the Series 2025 Bonds; and (b) all provisions and requirements of the Federal Tax Certificate. The Mayor, Chief Financial Officer and Clerk are hereby authorized and directed to execute the Federal Tax Certificate in a form approved by Bond Counsel, for and on behalf of and as the act and deed of the Issuer. The Issuer will, in addition, adopt such other ordinances or resolutions and take such other actions as may be necessary to comply with the Code and with all other applicable future laws, regulations, published rulings and judicial decisions, in order to ensure that the interest on the Series 2025 Bonds will remain excluded from federal gross income, to the extent any such actions can be taken by the Issuer.

Section 1202. Survival of Covenants. The covenants contained in this Article and in the Federal Tax Certificate shall remain in full force and effect notwithstanding the defeasance of the Series 2025 Bonds pursuant to *Article XI* hereof or any other provision of this Bond Resolution until such time as is set forth in the Federal Tax Certificate.

ARTICLE XIII

CONTINUING DISCLOSURE REQUIREMENTS

Section 1301. Disclosure Requirements. The Issuer hereby covenants with the Purchaser and the Beneficial Owners to provide and disseminate such information as is required by the SEC Rule and as further set forth in the Disclosure Undertaking, which are incorporated herein by reference. Such covenant shall be for the benefit of and enforceable by the Purchaser and the Beneficial Owners.

Section 1302. Failure to Comply with Continuing Disclosure Requirements. In the event the Issuer fails to comply in a timely manner with its covenants contained in the preceding section, the Purchaser and/or any Beneficial Owner may make demand for such compliance by written notice to the Issuer. In the event the Issuer does not remedy such noncompliance within 10 days of receipt of such written notice, the Purchaser or any Beneficial Owner may in its discretion, without notice or demand, proceed to enforce compliance by a suit or suits in equity for the specific performance of such covenant or agreement contained in the preceding section or for the enforcement of any other appropriate legal or equitable remedy, as the Purchaser and/or any Beneficial Owner shall deem effectual to protect and enforce any of the duties of the Issuer under such preceding section.

ARTICLE XIV

MISCELLANEOUS PROVISIONS

Section 1401. Amendments. The rights and duties of the Issuer and the Owners, and the terms and provisions of the Bonds or of this Bond Resolution, may be amended or modified at any time in any respect by resolution of the Issuer with the written consent of the Owners of not less than a majority in principal amount of the Bonds then Outstanding, such consent to be evidenced by an instrument or instruments executed by such Owners and duly acknowledged, and such instrument or instruments shall be filed with the Clerk, but no such modification or alteration shall:

- (a) extend the maturity of any payment of principal or interest due upon any Bond;
- (b) effect a reduction in the amount which the Issuer is required to pay as principal of or interest on any Bond;
- (c) permit preference or priority of any Bond over any other Bond;
- (d) reduce the percentage in principal amount of Bonds required for the written consent to any modification or alteration of the provisions of this Bond Resolution; or
- (e) permit the creation of a lien on the Gross Revenues prior or equal to the lien of the Parity Bonds or Additional Obligations.

Any provision of the Bonds or of this Bond Resolution may, however, be amended or modified by resolution or ordinance duly adopted by the governing body of the Issuer at any time in any legal respect with the written consent of the Owners of all of the Bonds at the time Outstanding.

Without notice to or the consent of any Owners, the Issuer may amend or supplement this Bond Resolution for the purpose of curing any formal defect, omission, inconsistency or ambiguity herein, to grant to or confer upon the Owners any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Owners, to more precisely identify the Project, to reallocate proceeds of the Bonds among Project, to provide for Substitute Project, to conform this Bond Resolution to the Code or future applicable federal law concerning tax-exempt obligations, or in connection with any other change therein which is not materially adverse to the interests of the Owners.

Every amendment or modification of the provisions of the Bonds or of this Bond Resolution, to which the written consent of the Owners is given, as above provided, shall be expressed in a resolution or ordinance adopted by the governing body of the Issuer amending or supplementing the provisions of this Bond Resolution and shall be deemed to be a part of this Bond Resolution. A certified copy of every such amendatory or supplemental resolution or ordinance, if any, and a certified copy of this Bond Resolution shall always be kept on file in the office of the Clerk, and shall be made available for inspection by the Owner of any Bond or a prospective purchaser or owner of any Bond authorized by this Bond Resolution, and upon payment of the reasonable cost of preparing the same, a certified copy of any such amendatory or supplemental resolution or ordinance of this Bond Resolution will be sent by the Clerk to any such Owner or prospective Owner.

Any and all modifications made in the manner hereinabove provided shall not become effective until there has been filed with the Clerk a copy of the resolution or ordinance of the Issuer hereinabove provided for, duly certified, as well as proof of any required consent to such modification by the Owners

of the Bonds then Outstanding. It shall not be necessary to note on any of the Outstanding Bonds any reference to such amendment or modification.

The Issuer shall furnish to the Paying Agent a copy of any amendment to the Bonds or this Bond Resolution which affects the duties or obligations of the Paying Agent under this Bond Resolution.

Section 1402. Notices, Consents and Other Instruments by Owners. Any notice, consent, request, direction, approval or other instrument to be signed and executed by the Owners may be in any number of concurrent writings of similar tenor and may be signed or executed by such Owners in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of Bonds, if made in the following manner, shall be sufficient for any of the purposes of this Bond Resolution, and shall be conclusive in favor of the Issuer and the Paying Agent with regard to any action taken, suffered or omitted under any such instrument, namely:

(a) The fact and date of the execution by any person of any such instrument may be proved by a certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such instrument acknowledged before such officer the execution thereof, or by affidavit of any witness to such execution.

(b) The fact of ownership of Bonds, the amount or amounts, numbers and other identification of Bonds, and the date of holding the same shall be proved by the Bond Register.

In determining whether the Owners of the requisite principal amount of Bonds Outstanding have given any request, demand, authorization, direction, notice, consent or waiver under this Bond Resolution, Bonds owned by the Issuer shall be disregarded and deemed not to be Outstanding under this Bond Resolution, except that, in determining whether the Owners shall be protected in relying upon any such request, demand, authorization, direction, notice, consent or waiver, only Bonds which the Owners know to be so owned shall be so disregarded. Notwithstanding the foregoing, Bonds so owned which have been pledged in good faith shall not be disregarded as aforesaid if the pledgee establishes to the satisfaction of the Owners the pledgee's right so to act with respect to such Bonds and that the pledgee is not the Issuer.

Section 1403. Notices. Any notice, request, complaint, demand or other communication required or desired to be given or filed under this Bond Resolution shall be in writing, given to the Notice Representative at the Notice Address and shall be deemed duly given or filed if the same shall be: (a) duly delivered by prepaid overnight delivery service or mailed by registered or certified mail, postage prepaid; or (b) communicated via electronic mail, with confirmation of receipt by delivery receipt, read receipt or otherwise. Copies of such notices shall also be given to the Paying Agent. The Issuer, the Paying Agent and the Purchaser may from time to time designate, by notice given hereunder to the others of such parties, such other address to which subsequent notices, certificates or other communications shall be sent.

All notices given by (a) delivery service or mail as aforesaid shall be deemed duly given as of the date they are so provided to the delivery service or mailed, respectively, and (b) electronic mail as aforesaid shall be deemed duly given as of the date of confirmation of receipt. If, because of the temporary or permanent suspension of regular mail service or for any other reason, it is impossible or impractical to mail any notice in the manner herein provided, then such other form of notice as shall be made with the approval of the Paying Agent shall constitute a sufficient notice.

Section 1404. Inconsistent Provisions. In case any one or more of the provisions of this Bond Resolution or of the Bonds issued hereunder shall for any reason be inconsistent with the provisions of any Parity Resolution or any Parity Bonds: (a) the provisions of any Parity Resolution adopted prior to this Bond Resolution shall prevail with respect to Parity Bonds issued prior in time, so long as such Parity

Bonds are Outstanding; and (b) the provisions of this Bond Resolution shall prevail with respect to any Parity Resolution adopted subsequent to the Bond Resolution, so long as any Parity Bonds issued under this Bond Resolution are Outstanding.

Section 1405. Electronic Transactions. The transactions described in this Bond Resolution may be conducted, and documents related to the Series 2025 Bonds may be sent, received, executed, and stored by electronic means or transmissions. Copies, telecopies, electronic files and other reproductions of original executed documents (or documents executed by electronic means or transmissions) shall be deemed to be authentic and valid counterparts of such documents for all purposes, including the filing of any claim, action or suit in the appropriate court of law.

Section 1406. Further Authority. The officers and officials of the Issuer, including the Mayor and Clerk, are hereby authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Bond Resolution and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

Section 1407. Severability. If any section or other part of this Bond Resolution, whether large or small, is for any reason held invalid, the invalidity thereof shall not affect the validity of the other provisions of this Bond Resolution.

Section 1408. Governing Law. This Bond Resolution shall be governed exclusively by and construed in accordance with the applicable laws of the State.

Section 1409. Effective Date. This Bond Resolution shall take effect and be in full force from and after its adoption by the governing body of the Issuer.

ADOPTED by the governing body of the Issuer on October 7, 2025.
