Hello

I would like to express my strong opposition to yet another monstrous apartment housing complex towards the west end of Olathe. I love that the city has so much beautiful greenspaces but am starting to notice an influx of apartments which I wouldn't think would be needed as there are many available in the area. These types of structures just cause more traffic, noise and pollution and strip the land of everything. Please let me know if I need to email a different department. Thank you for your time.

Sarah M.
