Neighborhood Meeting – Questions and Responses

Q – What will the construction traffic pattern be?

R – The existing onsite driveway and loop will be used for all construction traffic, not Allman Road.

Q – What is the timeframe for construction?

R – Hoping to begin construction as early as November of this year with construction completed by July/August of next year.

Q – Is the current electric service big enough to serve the addition?

R – Yes

Q – Will the new addition have its own HVAC system? Where will it be?

R – The addition will be served by its own HVAC system that will be a roof top unit.
