RE: RZ24-0016 & PR24-0015 – Rezoning with Preliminary Development Plan for 119th and Renner Neighborhood Meeting Minutes.

The project team held a neighborhood meeting on October 24, 2024 at the Subaru of Olathe at 16540 W 119th Street. The location was a conference room in their building which is just northeast of the project site.

The project team consisted of James Arkell with Loretto Development, Andy Crimmins and Karl Ley with Van Trust, Scott Slaggie with Slaggie Architects, and David Eickman with Olsson.

The meeting was set up to be held from 5:45 to 7:15 in a conference room set up and hosted by Kevin Kight, General Manager of the Subaru of Olathe.

We had no one show up for the meeting from the general public. The project team did give a walkthrough presentation of the project site for Kevin while the project team waited to see if anyone showed up. The project team wrapped up and let the site around 7:15.

A copy of the sign in sheet is attached.

Sincerely,

A handwritten signature in black ink, appearing to read "David Eickman". The signature is fluid and cursive.

David Eickman, PE
