

Project Fact Sheet
2024 MAQS Micro Surface Project
PN 3-P-008-24
May 21, 2024

Project Manager: Nate Baldwin / Austin Lamparter

Description: The 2024 MAQS Micro Surface Project will include a modified aggregate quickset surface (MAQS) treatment on 174 local and collector streets throughout Olathe.

Justification: This Street Preservation project will seal and add a skid resistant wearing surface to existing asphalt pavement.
