Hi Zack & Sean,

We would like to object to another Hotel development in the Olathe Station as are already developing a Tru my Hilton in the area (117th) and have two more sites already approved for hotel development on the adjacent site at Olathe Station 7. This new development would jeopardize our projects from being developed.

We would also think that due to the visibility and location of the proposed site at Olathe Station south the city would see someone develop this site in the future much for easily. For the city, the development of hotels on our site and having someone use the out parcel for a restaurant or other retail would make more sense.

I also requested a list of property owners that were notified on Dec 28th and have not received the list.

Thanks,

--
