Section 210. Temporary Bonds. Until definitive Bonds are prepared, the City may execute, in the same manner as is provided in the Resolution and upon the request of the City, the Bond Registrar shall authenticate and deliver, in lieu of definitive Bonds but subject to the same provisions, limitations and conditions as the definitive Bonds, one or more temporary Bonds substantially of the tenor of the definitive Bonds in lieu of which such temporary Bond or Bonds are issued, in denominations authorized herein, authorized by the City and with such omissions, insertions and variations as may be appropriate to temporary Bonds. The City at its own expense shall prepare and execute and, upon the surrender of such temporary Bonds for exchange and upon the cancellation of such surrendered temporary Bonds, the Bond Registrar shall authenticate and, without charge to the owner thereof, deliver in exchange therefor definitive Bonds of the same aggregate principal amount and maturity as the temporary Bonds surrendered.

If the City shall authorize the issuance of temporary Bonds in more than one denomination, the Registered Owner of any temporary Bond or Bonds may, at such Registered Owner's option, surrender the same to the Bond Registrar in exchange for another temporary Bond or Bonds of like aggregate principal amount and maturity of any other authorized denomination or denominations, and thereupon the City shall execute and the Bond Registrar shall authenticate and, upon payment of any applicable taxes, fees and charges, shall deliver a temporary Bond or Bonds of like aggregate principal amount and maturity in such other authorized denomination or denominations as shall be requested by such owner.

All temporary Bonds surrendered in exchange either for another temporary Bond or Bonds or for a definitive Bond or Bonds shall be forthwith canceled by the Bond Registrar.

Section 211. Execution and Delivery of the Bonds. The Mayor and City Clerk are hereby authorized and directed to prepare and execute the Bonds in the manner hereinbefore specified, and to cause the Bonds to be registered in the offices of the City Clerk and the State Treasurer as provided by law, and, when duly executed and registered, to deliver the Bonds to the Original Purchaser, upon receipt by the City of the Purchase Price.

Section 212. Book-Entry Bonds; Securities Depository.

(a) The Bonds shall initially be registered to Cede & Co., the nominee for the Securities Depository, and no beneficial owner will receive certificates representing their respective interests in the Bonds, except in the event the Bond Registrar issues Replacement Bonds as provided in subsection (b) hereof. It is anticipated that during the term of the Bonds, the Securities Depository will make book-entry transfers among its Participants and receive and transmit payment of principal of, premium, if any, and interest on, the Bonds to the Participants until and unless the Bond Registrar authenticates and delivers Replacement Bonds to the beneficial owners as described in subsection (b).

(b) (1) If the City determines (A) that the Securities Depository is unable to properly discharge its responsibilities, or (B) that the Securities Depository is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, or (C) that the continuation of a book-entry system to the exclusion of any Bonds being issued to any Owner other than Cede & Co. is no longer in the best interests of the beneficial owners of the Bonds, or (2) if the Bond Registrar receives written notice from Participants having interests in not less than 50% of the Bonds Outstanding, as shown on the records of the Securities Depository (and certified to such effect by the Securities Depository), that the continuation of a book-entry system to the exclusion of any Bonds being issued to any Owner other than Cede & Co. is no longer in the best interests of the beneficial owners of the Bonds, then the Bond Registrar shall notify the Owners of such determination or such notice and of the availability of certificates to Owners requesting the same, and the Bond Registrar shall register in the name of and authenticate and deliver Replacement Bonds to the beneficial owners or their nominees in principal amounts representing the interest of each, making such adjustments as it may find necessary or appropriate as to accrued interest and previous calls for redemption; provided, that in the case of a determination under (1)(A) or (1)(B) of this subsection (b), the City, with the consent of the Bond Registrar, may select a successor securities depository in accordance with **Section 212(c)** hereof to effect book-entry transfers. In such event, all references to the Securities Depository herein shall relate to the period of time when the Securities Depository has possession of at least one Bond. Upon the issuance of Replacement Bonds, all references herein to obligations imposed upon or to be performed by the Securities Depository shall be deemed to be imposed upon and performed by the Bond Registrar, to the extent applicable with respect to such Replacement Bonds. If the Securities Depository resigns and the City, the Bond Registrar or Owners are unable to locate a qualified successor of the Securities Depository in accordance with **Section 212(c)** hereof, then the Bond Registrar shall authenticate and cause delivery of Replacement Bonds to Owners, as provided herein. The Bond Registrar may rely on information from the Securities Depository and its Participants as to the names of the beneficial owners of the Bonds. The cost of printing, registration, authentication and delivery of Replacement Bonds shall be paid for by the City.

(c) In the event the Securities Depository resigns, is unable to properly discharge its responsibilities, or is no longer qualified to act as a securities depository and registered clearing agency under the Securities Exchange Act of 1934, as amended, the City may appoint a successor Securities Depository provided the Bond Registrar receives written evidence satisfactory to the Bond Registrar with respect to the ability of the successor Securities Depository to discharge its responsibilities. Any such successor Securities Depository shall be a securities depository which is a registered clearing agency under the Securities and Exchange Act of 1934, as amended, or other applicable statute or regulation that operates a securities

depository upon reasonable and customary terms. The Bond Registrar upon its receipt of a Bond or Bonds for cancellation shall cause the delivery of Bonds to the successor Securities Depository in appropriate denominations and form as provided herein.

(d) The execution and delivery of any Representation Letter to the Securities Depository by an authorized officer of the City is hereby authorized and approved.

Section 213. Authorization of Escrow Agreement. The City is hereby authorized to enter into the Escrow Agreement, and the Mayor and Clerk are hereby authorized and directed to execute the Escrow Agreement with such changes therein as such officials may deem appropriate, for and on behalf of and as the act and deed of the City. The Escrow Agent is hereby authorized to carry out, on behalf of the City, the duties, terms and provisions of the Escrow Agreement, and the Escrow Agent, the Purchaser and Bond Counsel are authorized to take all necessary actions for the subscription and purchase of the Escrowed Securities described therein, including the subscription for United States Treasury Securities - State and Local Government Series.

ARTICLE III

REDEMPTION OF THE BONDS

Section 301. Redemption of Bonds.

(a) *Optional Redemption.* At the option of the City, Bonds maturing on July 1 in the years 2028, and thereafter, will be subject to redemption and payment prior to maturity on July 1, 2027, and thereafter, as a whole or in part (selection of maturities and the amounts for each maturity of the Bonds to be redeemed to be determined by the City) at any time, at the redemption price of 100% (expressed as a percentage of the principal amount), plus accrued interest to the Redemption Date.

***[(b) *Mandatory Redemption.*

(1) *General.* The Term Bonds shall be subject to mandatory redemption and payment prior to Stated Maturity pursuant to the mandatory redemption requirements at a Redemption Price equal to 100% of the principal amount thereof plus accrued interest to the Redemption Date. At its option, to be exercised on or before the 45th day next preceding any mandatory Redemption Date, the City may: (1) deliver to the Paying Agent for cancellation Term Bonds subject to mandatory redemption on said mandatory Redemption Date, in any aggregate principal amount desired; or (2) furnish the Paying Agent funds, together with appropriate instructions, for the purpose of purchasing any Term Bonds subject to mandatory redemption on said mandatory Redemption Date from any Owner thereof whereupon the Paying Agent shall expend such funds for such purpose to such extent as may be practical; or (3) receive a credit with respect to the mandatory redemption obligation of the City under this Section for any Term Bonds subject to mandatory redemption on said mandatory Redemption Date which, prior to such date, have been redeemed (other than through the operation of the mandatory redemption requirements of this subsection) and cancelled by the Paying Agent and not theretofore applied as a credit against any redemption obligation under this subsection. Each Term Bond so delivered or previously purchased or redeemed shall be credited at 100% of the principal amount thereof on the obligation of the City to redeem Term Bonds of the same Stated Maturity on such mandatory Redemption Date, and any excess of such amount shall be credited on future mandatory redemption obligations for Term Bonds of the same Stated Maturity as designated by the City, and the principal amount of Term Bonds to be redeemed by operation of the requirements of this Section shall be accordingly reduced. If the City intends to exercise any option granted by

the provisions of clauses (1), (2) or (3) above, the City will, on or before the 45th day next preceding each mandatory Redemption Date, furnish the Paying Agent a written certificate indicating to what extent the provisions of said clauses (1), (2) and (3) are to be complied with, with respect to such mandatory redemption payment.

(2) 20__ Term Bonds. The City shall from the payments specified in **Section 702(b)** hereof which are to be deposited into the Principal and Interest Account redeem on July 1 in each year, the following principal amounts of 20__ Term Bonds:

| | |
|---------------|-------------|
| Principal | |
| <u>Amount</u> | <u>Year</u> |
| \$ _____ | 20__ |
| _____ | 20__* |

*Final Maturity

(3) 20__ Term Bonds. The City shall from the payments specified in **Section 702(b)** hereof which are to be deposited into the Principal and Interest Account redeem on July 1 in each year, the following principal amounts of 20__ Term Bonds:

| | |
|---------------|-------------|
| Principal | |
| <u>Amount</u> | <u>Year</u> |
| \$ _____ | 20__ |
| _____ | 20__* |

*Final Maturity]***

Section 302. Selection of Bonds to be Redeemed. The Bonds shall be redeemed only in the principal amount of \$5,000 or any integral multiple thereof. When less than all of the Bonds of a Stated Maturity are to be redeemed and paid prior to maturity, such Bonds shall be redeemed in such manner as the Bond Registrar shall determine, Bonds of less than a full maturity to be selected by lot in units of \$5,000.

In the case of a partial redemption of Bonds when Bonds of denominations greater than \$5,000 are then Outstanding, then for all purposes in connection with such redemption each \$5,000 of face value shall be treated as though it were a separate Bond of the denomination of \$5,000. If it is determined that one or more, but not all, of the \$5,000 units of face value represented by any Bond is selected for redemption, then upon notice of intention to redeem such \$5,000 unit or units, the owner or the owner's duly authorized agent shall forthwith present and surrender such Bond to the Bond Registrar: (i) for payment of the Redemption Price (including the redemption premium, if any, and interest to the Redemption Date) of the \$5,000 unit or units of face value called for redemption; and (ii) for exchange, without charge to the owner thereof, for a new Bond(s) of the aggregate principal amount of the unredeemed portion of the principal amount of such Bond. If the owner of any Bond of a denomination greater than \$5,000 shall fail to present such Bond as aforesaid, such Bond shall, nevertheless, become due and payable on the Redemption Date to the extent of the amount called for redemption.

Section 303. Notice of Redemption. In the event the City desires to call the Bonds for optional redemption prior to maturity pursuant to **Section 301**, written notice of such intent shall be provided to the Bond Registrar in accordance with K.S.A. 10-129, as amended, not less than 45 days prior to the Redemption Date. Unless waived by any owner of Bonds to be redeemed, if the City elects to call any Bonds for redemption and payment prior to the maturity thereof, the City shall cause the Bond Registrar to give written

notice of its intention to call and pay said Bonds on a specified date, the same being described by maturity, said notice to be mailed by United States first class mail addressed to the owners of said Bonds, each of said notices to be mailed not less than 30 days prior to the Redemption Date. The City shall also give such additional notice as may be required by Kansas law or regulations of the Securities and Exchange Commission in effect as of the date of such notice. ***[The foregoing provisions of this paragraph shall not apply in the case of any mandatory redemption of Term Bonds hereunder, and Term Bonds shall be called by the Paying Agent for redemption pursuant to such mandatory redemption requirements without the necessity of any action by the City and whether or not the Paying Agent holds moneys available and sufficient to effect the required redemption.]***

All official notices of redemption shall be dated and shall state (1) the Redemption Date, (2) the Redemption Price, (3) if less than all Outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed, (4) that on the Redemption Date the Redemption Price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date, (5) the place where such Bonds are to be surrendered for payment of the Redemption Price, which place of payment shall be the principal office of the Paying Agent and (6) the CUSIP numbers of all Bonds being redeemed. The failure of any Owner to receive notice given as heretofore provided or an immaterial defect therein shall not invalidate any redemption.

Prior to any Redemption Date, the City shall deposit with the Paying Agent an amount of money sufficient to pay the Redemption Price of all the Bonds or portions of Bonds which are to be redeemed on that date. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Paying Agent at the Redemption Price. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the Registered Owner a new Bond or Bonds of the same maturity in the amount of the unpaid principal. All Bonds which have been redeemed shall be cancelled and destroyed by the Paying Agent and shall not be reissued.

For so long as the Securities Depository is effecting book-entry transfers of the Bonds, the Bond Registrar shall provide the notices specified in this Section to the Securities Depository. It is expected that the Securities Depository shall, in turn, notify its Participants and that the Participants, in turn, will notify or cause to be notified the beneficial owners. Any failure on the part of the Securities Depository or a Participant, or failure on the part of a nominee of a beneficial owner of a Bond (having been mailed notice from the Bond Registrar, the Securities Depository, a Participant or otherwise) to notify the beneficial owner of the Bond so affected, shall not affect the validity of the redemption of such Bond.

Section 304. Effect of Call for Redemption. Whenever any Bond is called for redemption and payment as provided in this Article, all interest on such Bond shall cease from and after the date for which such call is made, provided funds are available for its payment at the price hereinbefore specified.

ARTICLE IV

FORM OF THE BONDS

Section 401. Form of the Bonds. The Bonds shall be printed in accordance with the format required by the Attorney General of the State of Kansas and shall contain information substantially in the form submitted to the Governing Body concurrently with the passage of the Resolution or as may be required by

the Attorney General pursuant to the Notice of Systems of Registration for Kansas Municipal Bonds, 2 Kan. Reg. 921 (1983), in accordance with the Kansas Bond Registration Law, K.S.A. 10-620 to 10-632, inclusive.

ARTICLE VI

APPLICATION OF BOND PROCEEDS AND OTHER MONEYS

Section 601. Disposition of Bond Proceeds and Other Moneys. The proceeds of the Series 2019 Bonds and certain other moneys shall be deposited simultaneously with the delivery of the Series 2019 Bonds as follows:

- (a) In the Principal and Interest Account a sum equal to the accrued interest on the Bonds.
- (b) In the Bond Reserve Account, the Bond Reserve Requirement.
- (c) The sum equal to the amount necessary to pay the estimated costs of issuance into the Costs of Issuance Account.
- (d) The sum of \$[_____] from the proceeds of the Series 2019 Bonds, together with \$239,706.00 provided by the City from the Series 2009 Bond Reserve Account, shall be transferred to the Escrow Agent and deposited in the Escrow Fund and applied in accordance with the Escrow Agreement.
- (e) The remaining balance of the proceeds derived from the sale of the Series 2019 Bonds shall be deposited in the Project Account.

Section 602. Application of Monies in the Project Account. Monies in the Project Account shall be used for the sole purpose of (a) paying the costs of the Project, in accordance with the plans and specifications therefor prepared for the Project, heretofore approved by the Governing Body of the City and on file in the office of the City Clerk, including any alterations in or amendments to said plans and specifications deemed advisable by the City; (b) making transfers to the Principal and Interest Account to pay interest on the Bonds during construction of the Projects; and (c) transferring any amounts to the Rebate Fund required by **Section 604** hereof.

Withdrawals from the Project Account shall be made only when authorized by the Governing Body of the City and only on duly authorized and executed warrants therefor accompanied by a certificate executed by the Treasurer or his or her designee that such payment is being made for a purpose within the scope of this Resolution and that the amount of such payment represents only the contract price of the property, equipment, labor, materials or service being paid for or, if such payment is not being made pursuant to an express contract, that such payment is not in excess of the reasonable value thereof.

Upon completion of the Project, any surplus remaining in the Project Account shall be deposited in the Principal and Interest Account.

Section 603. Application of Moneys in the Escrow Fund. Under the Escrow Agreement, the Escrow Agent will apply moneys in the Escrow Fund to purchase the Escrowed Securities and to establish an initial cash balance in accordance with the Escrow Agreement. The cash and Escrowed Securities held in the Escrow Fund will be applied by the Escrow Agent solely in the manner authorized by the Escrow Agreement. All money deposited with the Escrow Agent shall be deemed to be deposited in accordance with and subject to all of the provisions contained in the Escrow Agreement.

Section 604. Application of Monies in the Costs of Issuance Account. Monies in the Costs of Issuance Account shall be used to pay the Costs of Issuance. Any funds remaining in the Costs of Issuance Account, after payment of all Costs of Issuance, but not later than June 1, 2019, shall be transferred to the Project Account until completion of the Project and thereafter to the Principal and Interest Account.

Section 605. Deposits into and Application of Monies in the Rebate Fund.

(a) There shall be deposited in the Rebate Fund such amounts as are required to be deposited therein pursuant to the Federal Tax Certificate. All money at any time deposited in the Rebate Fund shall be held in trust, to the extent required to pay arbitrage rebate to the federal government of the United States of America, and neither the City nor the owner of any Bonds shall have any rights in or claim to such money. All amounts deposited into or on deposit in the Rebate Fund shall be governed by this Section and by the Federal Tax Certificate (which is incorporated herein by reference).

(b) The City shall periodically determine the amount of arbitrage rebate under Section 148 of the Code in accordance with the Federal Tax Certificate, and the City shall make payments to the United States Government at the times and in the amounts determined under the Federal Tax Certificate. Any monies remaining in the Rebate Fund after redemption and payment of all of the Bonds and payment and satisfaction of any rebatable arbitrage, or provision made therefor, shall be withdrawn and released to the City.

(c) Notwithstanding any other provision of the Resolution, including in particular *Article XII* hereof, the obligation to remit rebatable arbitrage to the United States and to comply with all other requirements of this Section and the Federal Tax Certificate shall survive the defeasance or payment in full of the Bonds.

Section 606. Nonpresentment of Bonds. If any Bond is not presented for payment when the principal thereof becomes due at Maturity, if funds sufficient to pay such Bond have been made available to the Paying Agent all liability of the City to the Owner thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Paying Agent to hold such funds, without liability for interest thereon, for the benefit of the Owner of such Bond, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Resolution or on, or with respect to, said Bond. If any Bond is not presented for payment within four years following the date when such Bond becomes due at Maturity, the Paying Agent shall repay, without liability for interest thereon, to the City the funds theretofore held by it for payment of such Bond, and such Bond shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the City, and the Owner thereof shall be entitled to look only to the City for payment, and then only to the extent of the amount so repaid to it by the Paying Agent, and the City shall not be liable for any interest thereon and shall not be regarded as a trustee of such money.

ARTICLE VII

COLLECTION AND APPLICATION OF REVENUES

Section 701. Revenue Fund. The City covenants and agrees that from and after the delivery of the Bonds, and continuing as long as any of the Bonds remain outstanding and unpaid, all of the revenues derived and collected by the City from the operation of the System will be paid and deposited into the Revenue Fund, and that said revenues shall be segregated and kept separate and apart from all other monies, revenues, funds and accounts of the City and shall not be mingled with any other monies, revenues, funds and accounts

of the City. The Revenue Fund shall be administered and applied solely for the purposes and in the manner provided in this Resolution.

Section 702. Application of Monies in the Revenue Fund. The City covenants and agrees that from and after the delivery of the Bonds and continuing so long as any of the Bonds shall remain Outstanding and unpaid, the City will on the first day of each month administer and allocate all of the monies then held in the Revenue Fund as follows:

(a) Operation and Maintenance Account. An amount equal to the anticipated Current Expenses for the ensuing month shall be deposited into the Operation and Maintenance Account. All Current Expenses of the System shall be paid as bills accrue, and such bills shall be paid by a proper system of vouchers. Such amounts as may be necessary in the opinion of the Governing Body of the City to pay the reasonable and proper Current Expenses of the System for a period of sixty (60) days may be retained and accumulated in the Operation and Maintenance Account before transfers to the other Accounts hereinafter provided for.

(b) Principal and Interest Account. The City shall set aside and transfer monthly from the Revenue Fund to the Principal and Interest Account, beginning on the first said monthly payments, proportionate monthly amounts (less accrued credits to such Account) of the (i) next maturing interest on the Bonds; and (ii) next maturing principal on the Bonds, to the end that at all times one (1) month prior to maturity of interest, principal, or mandatory call requirements, if any, there shall be sufficient monies in the Principal and Interest Account to transmit maturing interest and principal on the Bonds to the Paying Agent for payment when due. All amounts transferred and credited to the Principal and Interest Account shall be used solely and exclusively for the payment of principal of and interest on the Bonds when the same shall become due and payable. In addition thereto, there shall be transferred to the Principal and Interest Account sufficient sums to pay any fees and expenses of the Bond Registrar and Paying Agent.

The amounts required to be paid and credited to the Principal and Interest Account pursuant to this Section shall be made at the same time and on a parity with the amounts at the time required to be paid and credited to the debt service funds established for the payment of principal of and interest on Parity Bonds under the provisions of the Parity Bond Resolutions.

If at any time the monies in the Revenue Fund shall be insufficient to make in full the payments and credits at the time required to be made by the City to the principal and interest accounts established by the City to pay principal of and interest on the Series 2019 Bonds and any Parity Bonds, the available monies in the Revenue Fund shall be divided among such principal and interest accounts in proportion to the respective principal amounts of the Series 2019 Bonds and any Parity Bonds of the City at the time outstanding which are payable from the monies in such principal and interest accounts.

(c) Bond Reserve Account. Simultaneously with the issuance of the Bonds, the City shall provide that the Bond Reserve Account shall contain an amount equal to the Bond Reserve Requirement. Except as hereinafter provided in this Section or as provided in **Section 802** hereof, all amounts paid and credited to the Bond Reserve Account shall be expended and used by the City solely to prevent any default in the payment of interest on or principal of the Series 2019 Bonds if the monies in the Principal and Interest Account are insufficient to pay the interest on or principal of said Bonds as they become due. So long as the Bond Reserve Account aggregates the Bond Reserve Requirement, no further payments into said Account shall be required, but if the City shall ever be required to expend and use a part of the monies in said Account for the purpose herein authorized and

such expenditure shall reduce the amount of said Account below the Bond Reserve Requirement or if the value of the investments in the Bond Reserve Account (determined in accordance with **Section 802**) decline so that the amount of said Account is reduced below the Bond Reserve Requirement, the City shall commence equal monthly payments into said Account in amounts sufficient so that said Account shall aggregate the Bond Reserve Requirement in not more than 24 months, said payments into said Account to be made after making all payments and credits required at the time to be made by the City under the provisions of paragraphs (a) and (b) of this Section.

The amounts required to be paid and credited to the Bond Reserve Account pursuant to this Section shall be made at the same time and on a parity with the amounts at the time required to be paid and credited to the bond reserve accounts established for the Parity Bonds under the provisions of the Parity Bond Resolutions.

Monies in the Bond Reserve Account may be used to call the Bonds for redemption and payment prior to their maturity provided all of the Bonds at the time outstanding are called for payment and funds are available to pay the same according to their terms. Monies in the Bond Reserve Account shall be used to pay and retire the last outstanding Bonds unless such Bonds and all interest thereon are otherwise paid.

If at any time the monies in the Revenue Fund shall be insufficient to make in full the payments and credits at the time required to be made by the City to the bond reserve accounts established by the City to protect the payment of the Series 2019 Bonds and Parity Bonds, the available monies in the Revenue Fund shall be divided among such bond reserve accounts in proportion to the respective principal amounts of said Parity Bonds of the City at the time outstanding which are payable from the monies in such bond reserve accounts.

(d) Surplus Account. After all payments and credits required at the time to be made by the City under the provisions of preceding subsections have been made, all monies remaining in the Revenue Fund shall be paid and credited to the Surplus Account. Monies in the Surplus Account may be expended and used for the following purposes as determined by the Governing Body of the City:

(1) Paying the cost of the operation, maintenance and repair of the System to the extent that may be necessary after the application of the monies held in the Revenue Fund under the provisions of this Section;

(2) Paying the cost of, or debt service on obligations incurred to finance the cost of, repairs to or extending, enlarging or improving the System;

(3) Preventing default in, anticipating payments into or increasing the amounts in funds and accounts referred to in preceding subsections, or any one of them, or establishing or increasing the amount of any principal and interest account or bond reserve account created by the City for the payment of any Parity Bonds;

(4) Calling, redeeming and paying prior to maturity, or, at the option of the City, purchasing in the open market at the best price obtainable the Bonds or any Parity Bonds;

(5) To make transfers to the Revenue Fund; or

(6) Subject to the provisions of the Parity Bond Resolutions, any general governmental or municipal purpose of the City.

Section 703. Deficiency of Payments into Funds and Accounts. If at any time the revenues derived by the City from the operation of the System shall be insufficient to make any payment on the date or dates hereinbefore specified, the City will make good the amount of such deficiency by making additional payments or credits out of the first available revenues thereafter received by the City from the operation of the System, such payments and credits being made and applied in the order hereinbefore specified in this Resolution.

If at any time the monies in the Principal and Interest Account and in the Bond Reserve Account are not sufficient to pay the principal of and interest on the Bonds as and when the same become due, then monies in the Surplus Account may and shall be used by the City, to prevent any default in the payment of the principal of and interest on the Bonds.

Section 704. Transfer of Funds to Paying Agent. The Treasurer of the City is hereby authorized and directed to withdraw from the Principal and Interest Account, and, to the extent necessary to prevent a default in the payment of either principal of or interest on the Bonds, from the Bond Reserve Account and the Surplus Account as provided herein, sums sufficient to pay the principal of and interest on the Bonds and the fees of the Bond Registrar and Paying Agent when the same become due, and to forward such sums to the Bond Registrar and Paying Agent prior to dates when such principal, interest and fees of the Bond Registrar and Paying Agent will become due. If, through lapse of time, or otherwise, the owners of Bonds shall no longer be entitled to enforce payment of their obligations, it shall be the duty of the Paying Agent forthwith to return said funds to the City. All monies deposited with the Paying Agent shall be deemed to be deposited in accordance with and subject to all of the provisions contained in this Resolution.

Section 705. Payments Due on Saturdays, Sundays and Holidays. In any case where any payment date on the Bonds is not a Business Day, then payment of principal, Redemption Price or interest need not be made on such payment date but may be made on the next succeeding Business Day with the same force and effect as if made on such payment date, and no interest shall accrue for the period after such payment date.

ARTICLE VIII

DEPOSIT AND INVESTMENT OF MONIES

Section 801. Deposits. Cash monies in each of the funds and accounts created by and referred to in this Resolution shall be deposited in a bank or banks or federal or state chartered savings and loan association with offices located as required by Kansas law, which are members of the Federal Deposit Insurance Corporation, and all such deposits shall be adequately secured by the bank or banks or savings and loan associations holding such deposits in accordance with Kansas law.

Section 802. Investments. Monies held in the funds and accounts herein created, ratified or established in conjunction with the issuance of the Bonds, other than the Escrow Fund, may be invested by the City in Authorized Investments, or in other investments allowed by Kansas law in accordance with the Federal Tax Certificate in such amounts and maturing at such times as shall reasonably provide for monies to be available when required in said accounts or funds. Interest or earnings on any Authorized Investment held in any fund or account shall accrue to and become a part of such fund or account, except for amounts required to be deposited into the Rebate Fund in accordance with the Federal Tax Certificate, and except that so long

as monies in the Bond Reserve Account are equal to or greater than the Bond Reserve Requirement, earnings on investments held in the Bond Reserve Account shall be credited to the Principal and Interest Account. In determining the amount held in any fund or account under the provisions of the Resolution, Authorized Investments shall be valued at their principal par value or at their then market value, whichever is lower.

So long as any of the Parity Bonds remain outstanding and unpaid, any investments made pursuant to this Section shall be subject to any restrictions in the Parity Bond Resolutions with respect to the funds and accounts created by and referred to in the Parity Bond Resolutions.

ARTICLE IX

PARTICULAR COVENANTS OF THE CITY

The City covenants and agrees with each of the purchasers and owners of any of the Bonds that so long as any of the Bonds remain Outstanding:

Section 901. Efficient and Economical Operation. The City will continuously own and will operate the System in an efficient and economical manner and will keep and maintain the same in good repair and working order.

Section 902. Rate Covenant. The City will fix, establish, maintain and collect such rates, fees and charges for the use and services furnished by or through the System as provided in **Section 5** of the Ordinance.

Section 903. Reasonable Charges for all Services. None of the facilities or services provided by the System will be furnished to any user (excepting the City itself) without a reasonable charge being made therefor. In the event that the revenues derived by the City from the System shall at any time be insufficient to pay the reasonable expenses of operation and maintenance of the System and also to pay the Debt Service Requirements of the Bonds and any Parity Bonds as and when the same become due, then the City will thereafter pay into the Revenue Fund a fair and reasonable payment in accordance with effective applicable rates, fees and charges for all services or other facilities furnished to the City or any of its departments by the System, and such payments will continue so long as the same may be necessary in order to prevent or reduce the amount of any default in the payment of the interest on or principal of the Bonds.

Section 904. Restrictions on Mortgage or Sale of System. The City will not sell, lease or otherwise dispose of the System or any material part thereof, or any extension or improvement thereof; provided, however, the City may permanently abandon the use of, or sell at fair market value, or lease any of its System facilities, provided that:

(a) It is in full compliance with all covenants and undertakings in connection with all of its bonds then outstanding and payable from the revenues of the System, or any part thereof;

(b) In the event of sale, it will apply the proceeds to either (i) redemption or outstanding bonds in accordance with the provisions governing repayment of bonds in advance of maturity, or (ii) replacement of the facility so disposed of by another facility the revenues of which shall be incorporated into the System as hereinbefore provided;

(c) It certifies, prior to any abandonment of use, that the facility to be abandoned is no longer economically feasible of producing Net Revenues;

(d) It certifies that the estimated Net Revenues of the remaining System facilities for the next succeeding fiscal year plus the estimated Net Revenues of the facilities, if any, to be added to the System satisfy the rate covenants provided in this Resolution; and

(e) With respect to a lease, the City may lease (1) as lessor, any real or personal property which is unused or unimproved, or which has become obsolete, nonproductive or otherwise unusable to the advantage of the City, or which is being acquired as a part of a lease/purchase financing for the acquisition and/or improvement of such property; and/or (2) as lessee, with an option of the City to purchase, any real or personal property for the extension and improvement of the System. Property being leased as lessor and/or lessee pursuant to this subparagraph (e) shall not be treated as part of the System for purposes of this **Section 904** and may be mortgaged, pledged or otherwise encumbered.

Section 905. Financial Records and Reports. The City will install and maintain proper books, records and accounts (entirely separate from all other records and accounts of the City) in which complete and correct entries will be made of all dealings and transactions of or in relation to the System. Such accounts shall show the amount of revenues received from the System, the application of such revenues, and all financial transactions in connection therewith. Said books shall be kept by the City according to generally accepted accounting principles as applicable to the operation of municipal utilities.

Section 906. Annual Budget. Prior to the commencement of each fiscal year, the City will cause to be prepared and filed with the City Clerk a budget setting forth the estimated receipts and expenditures of the System for the next succeeding fiscal year. Said annual budget shall be prepared in accordance with the requirements of the laws of the State of Kansas, and shall contain normal budgetary items, including:

- (a) An estimate of the receipts from the System during the next ensuing fiscal year.
- (b) A statement of the estimated cost of operating the System during the next ensuing fiscal year.
- (c) A statement of any anticipated unusual expenses for the System during the next fiscal year.
- (d) A statement of any necessary replacements to the System which may be anticipated during the next fiscal year.
- (e) A statement of the amount of principal and interest to be paid on outstanding revenue bonds and general obligation bonds to be paid from revenues of the System during the next fiscal year.
- (f) A statement of the total estimated expenditures to be made from the revenues of the System during the next fiscal year.
- (g) A statement of the estimated Net Revenues during the next fiscal year.

Section 907. Annual Audit. Annually, promptly after the end of the fiscal year, the City will cause an audit to be made of the System for the preceding fiscal year by an Independent Accountant to be employed for that purpose and paid from the revenues of the System. Said annual audit shall include:

- (a) A classified statement of the gross revenues received, the expenditures for operation and maintenance, the net operating revenues and the amount of any capital expenditures made in connection with the System during the previous fiscal year;
- (b) A complete balance sheet as of the end of each fiscal year with the amount on hand at the end of such year in each of the funds and accounts created by and referred to in this Resolution;
- (c) A statement showing the Net Revenues for such fiscal year;
- (d) A statement of all System revenue bonds matured or redeemed and interest paid on bonds during said fiscal year;
- (e) A statement of the number of customers served by the System at the beginning and the end of such fiscal year;
- (f) A statement showing the amount and character of the insurance carried by the City on the property constituting the System and showing the names of the insurers, the expiration dates of the policies and the premiums thereon; and
- (g) Such remarks and recommendations regarding the City's practices and procedures of operating the System and its accounting practices as said accountants may deem appropriate.

Within 30 days after the completion of each such audit, a copy thereof shall be filed in the office of the City Clerk. Such audits shall at all times during the usual business hours be open to examination and inspection by any taxpayer, any user of the services of the System, any owner of any of the Bonds, or by anyone acting for or on behalf of such taxpayer, user or owner.

As soon as possible after the completion of such annual audit, the Governing Body of the City shall review such audit, and if any audit shall disclose that proper provision has not been made for all of the requirements of this Resolution and the law under which the Bonds are issued, the City covenants and agrees that it will promptly cure such deficiency and will promptly (within 60 days) proceed to increase the rates, fees and charges to be charged for the use and services furnished by the System as may be necessary to adequately provide for such requirements.

Section 908. Bondowners' Right of Inspection. The owner or owners of not less than 10% of the principal amount of the Bonds shall have the right at all reasonable times to inspect the System and all records, accounts and data relating thereto shall be furnished all such information concerning the System and the operation thereof which such may reasonably be requested.

Section 909. Performance of Duties. The City will faithfully and punctually perform all duties and obligations with respect to the operation of the System now or hereafter imposed upon the City by the Constitution and laws of the State of Kansas and by the provisions of this Resolution.

Section 910. Parity Bond Certification. The City hereby represents and covenants that the Series 2019 Bonds directed to be issued by this Resolution are so issued in full compliance with the restrictions and conditions upon which the City may issue Additional Bonds payable out of the revenues derived from the operation of the System and which stand on a parity with the Parity Bonds heretofore issued and Outstanding, as set forth and contained in the Parity Bond Resolutions, and that the Series 2019 Bonds herein directed to be issued are so issued in all respects on a parity and equality with the Parity Bonds heretofore issued and Outstanding.

ARTICLE X

ADDITIONAL BONDS

Section 1001. Prior Lien Bonds. The City covenants and agrees that so long as any of the Bonds remain outstanding and unpaid, the City will not issue any Bonds or other long term obligations payable out of the revenues of the System or any part thereof which are superior to the Bonds.

Section 1002. Parity Lien Bonds. The City covenants and agrees that so long as any of the Bonds remain outstanding and unpaid, the City will not issue any Additional Bonds or other long-term obligations payable out of the revenues of the System or any part thereof which stand on a parity or equality with the Bonds unless all of the following conditions are met:

(a) The City shall not be in default in the payment of principal of or interest on the Bonds or in making any payment at the time required to be made into the respective funds and accounts created by and referred to in this Resolution.

(b) The City shall certify to either of the following:

(i) The Debt Service Coverage Ratio (as determined by the City) for the fiscal year immediately preceding the issuance of Additional Bonds shall have been equal to not less than 1.10, including the Additional Bonds proposed to be issued. In the event that the City has instituted any increase in rates for the use and services of the System and such increase shall not have been in effect during the full fiscal year immediately preceding the issuance of Additional Bonds, the additional Net Revenues which would have resulted from the operation of the System during said preceding fiscal year had such rate increase been in effect for the entire period, as certified by a Consultant, may be added to the stated Net Revenues.

(ii) The estimated Debt Service Coverage Ratio (as determined by a Consultant), for the fiscal year immediately following the fiscal year in which the project to be financed by the Additional Bonds proposed to be issued is to be in commercial operation, shall be not less than 1.10, including the Additional Bonds proposed to be issued. In the event that the City anticipates additional revenues as a result of an increase in rates and/or expansion or modification of the System by the Additional Bonds or any other obligations, the Consultant may adjust the estimated Net Revenues in determining the Debt Service Coverage Ratio, by adding thereto any estimated increase in Net Revenues resulting from any increase in revenues for the use and services of the System, which, in the opinion of the Consultant, are reasonable based on projected rates and operations of the System for such fiscal year.

(c) When the issuance of additional System revenue bonds of equal stature and priority is permitted by the Statutes of the State of Kansas.

(d) The ordinance and/or resolution authorizing such additional parity bonds shall contain or provide that the bond reserve account for such additional parity bonds shall be funded in an amount equal to the maximum amount permitted by the Code to be deposited from the proceeds of such additional parity bonds in a debt service reserve fund therefor without being subject to yield

restriction under the Code and without causing the interest on such additional bonds to be includable in gross income for federal income tax purposes.

Notwithstanding the foregoing restrictions upon the issuance of Additional Bonds, Additional Bonds may be issued under this Section if it is necessary in the opinion of a Consulting Engineer to repair any damage or loss to the System if the same has been damaged or destroyed by disaster to such extent that it cannot be operated or if it is necessary to keep the System in good operating condition.

Additional revenue bonds of the City issued under the conditions set forth in this Section shall stand on a parity with the Bonds and shall enjoy complete equality of lien on and claim against the revenues of the System with the Bonds, and the City may make equal provision for paying said bonds and the interest thereon out of the Revenue Fund and may likewise provide for the creation of reasonable principal and interest accounts and bond reserve accounts for the payment of such Additional Bonds and the interest thereon out of monies in the Revenue Fund.

Section 1003. Junior Lien Bonds. In addition to the authority to issue Parity Bonds as set forth in the preceding section, the City may issue revenue bonds or other long-term obligations payable out of the revenues of the System or any part thereof which shall be junior and subordinate to the Bonds. If at any time the City shall be in default in paying any interest on or principal of the Bonds or in making any of the transfers required to any of the accounts or funds herein specified, then the City shall make no payment of either principal of or interest on such subordinate bonds or other long-term obligations payable out of the revenues of the System or any part thereof until all conditions of default shall be cured.

Section 1004. Refunding Bonds. The City shall have the right to refund any of the Bonds under the provisions of any law then available. Said Bonds or any part thereof may be refunded and the refunding bonds so issued shall enjoy complete equality of pledge and shall be on a parity with any of the Bonds which are not refunded, if any, upon the revenues of the System without complying with the requirements of *Section 1002*.

ARTICLE XI

DEFAULT AND REMEDIES

Section 1101. Contract with Owners. The provisions of this Resolution, including the covenants and agreements herein contained, shall constitute a contract between the City and the owners of the Bonds.

Section 1102. Acceleration and Other Remedies. If an Event of Default shall occur and continue for a period of 60 days after written notice specifying such default has been given to the City by the Registered Owner of any Bond then Outstanding, then, at any time thereafter and while such default continues, the Registered Owners of 25% in principal amount of the Bonds then Outstanding, may, by written notice to the City filed in the office of the City Clerk or delivered in person to said City Clerk, declare the principal of all Bonds then Outstanding to be due and payable immediately, and upon any such declaration given as aforesaid, all of said Bonds shall become and be immediately due and payable, anything in this Resolution or the Ordinance or in the Bonds contained to the contrary notwithstanding. This provision, however, is subject to the condition that if at any time after the principal of said Outstanding Bonds has been so declared to be due and payable, all arrears of interest upon all of said Bonds, except interest accrued but not yet due on such Bonds, and all arrears of principal upon all of said Bonds has been paid in full and all other defaults, if any, by the City under the provisions of this Resolution and the Ordinance and under the provisions of the statutes of the State of Kansas have been cured, then and in every such case the Registered Owners of a majority in

principal amount of the Bonds then Outstanding, by written notice to the City given as hereinbefore specified, may rescind and annul such declaration and its consequences, but no such rescission or annulment shall extend to or affect any subsequent default or impair any rights consequent thereon.

If an Event of Default shall occur and be continuing, the Owner or Owners of not less than 10% in principal amount of the Bonds at the time Outstanding, shall have the right for the equal benefit and protection of all Owners of Bonds similarly situated:

(a) by mandamus or other suit, action or proceedings at law or in equity to enforce the rights of such owner or owners against the City and its officers, agents and employees, and to require and compel duties and obligations required by the provisions of the Resolution or by the Constitution and laws of the State of Kansas;

(b) by suit, action or other proceedings in equity or at law to require the City, its officers, agents and employees to account as if they were the trustees of an express trust; and

(c) by suit, action or other proceedings in equity or at law to enjoin any acts or things which may be unlawful or in violation of the rights of the owners of the Bonds.

In case any proceeding taken by any owner on account of any default shall have been discontinued or abandoned for any reason, then and in every such case the City and the owners shall be restored to their former positions and rights hereunder, respectively, and all rights and remedies of the owners shall continue as though no such proceedings had been taken.

Section 1103. Limitation on Remedies. The covenants and agreements of the City contained herein and in the Bonds shall be for the equal benefit, protection, and security of the owners of any or all of the Bonds, all of which Bonds shall be of equal rank and without preference or priority of one Bond over any other Bond in the application of the funds herein pledged to the payment of the principal of and the interest on the Bonds, or otherwise, except as to rate of interest, date of maturity and right of prior redemption as provided in the Resolution. No one or more Bondowners secured hereby shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security granted and provided for herein, or to enforce any right hereunder, except in the manner herein provided, and all proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all owners of such Outstanding Bonds.

Section 1104. Remedies Cumulative. No remedy herein conferred on the owners is intended to be exclusive of any other remedy or remedies, and each and every remedy conferred shall be cumulative and shall be in addition to every other remedy given hereunder and under the Act or now or hereafter existing at law or in equity or by statute.

No delay or omission of any owner to exercise any right or power accruing upon any default occurring and continuing as aforesaid shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by this Article to the owners may be exercised from time to time and as often as may be deemed expedient. In case any suit, action or proceedings taken by any Bondowner on account of any default or to enforce any right or exercise any remedy shall have been discontinued or abandoned for any reason, or shall have been determined adversely to such Bondowner, then, and in every such case, the City and the owners of the Bonds shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Bondowners shall continue as if no such suit, action or other proceedings had been brought or taken.

Section 1105. No Obligation to Levy Taxes. Nothing contained in this Resolution shall be construed as imposing on the City any duty or obligation to levy any taxes either to meet any obligation incurred herein or to pay the principal of or interest on the Bonds.

ARTICLE XII

DEFEASANCE

Section 1201. Defeasance. When all of the Bonds shall have been paid and discharged, then the requirements contained in this Resolution and the pledge of revenues made hereunder and all other rights granted hereby shall terminate. Bonds shall be deemed to have been paid and discharged within the meaning of this Resolution if there shall have been deposited with the Paying Agent or a bank located in the State of Kansas and having full trust powers, at or prior to the maturity or Redemption Date of said Bonds, in trust for and irrevocably appropriated thereto, monies (insured at all times by the Federal Deposit Insurance Corporation or collateralized with the following direct obligations of the United States of America) and/or direct obligations of the United States of America (including obligations issued or held in book-entry form on the books of the Department of the Treasury) which, together with the interest to be earned on any such obligations, will be sufficient for the payment of the principal of said Bonds, the redemption premium thereon, if any, and interest accrued to the date of maturity or redemption, as the case may be, or if default in such payment shall have occurred on such date, then to the date of the tender of such payments; provided, however, that if any such Bonds shall be redeemed prior to the maturity thereof, the City shall have elected to redeem such Bonds and either notice of such redemption shall have been given or the City shall have given irrevocable instructions to the Bond Registrar to redeem such Bond. Any monies and obligations which at any time shall be deposited with said Paying Agent or other bank by or on behalf of the City, for the purpose of paying and discharging any of the Bonds, shall be and are hereby assigned, transferred and set over to the Paying Agent or other bank in trust for the respective owners of the Bonds, and such monies shall be and are hereby irrevocably appropriated to the payment and discharge hereof. All monies deposited with the Paying Agent or other bank shall be deemed to be deposited in accordance with and subject to all of the provisions contained in this Resolution.

ARTICLE XIII

AMENDMENTS

Section 1301. Amendments. Except as set forth herein, the provisions of the Bonds authorized by this Resolution and the provisions of this Resolution may be modified or amended at any time by the City with the written consent of the Owners of not less than a majority in aggregate principal amount of the Bonds herein authorized at the time Outstanding; provided, however, that no such modification or amendment shall permit or be construed as permitting: (a) the extension of the maturity of the principal of any of the Bonds issued hereunder, or the extension of the maturity of any interest on the Bonds issued hereunder, or (b) a reduction in the principal amount of the Bonds or the rate of interest thereon, or (c) a reduction in the percentage in principal amount of the Bonds required for the written consent to any modification or alteration of the provisions of this Resolution, or (d) permit preference or priority of any Bonds over any other Bonds without in each instance the prior written consent of 100% of the Owners of Bonds herein authorized at the time Outstanding.

The City may from time to time, without the consent of or notice to any of the owners, provide for amendment to the Bonds or the Resolution, for any one or more of the following purposes:

- (a) To cure any ambiguity or formal defect or omission in this Resolution or to make any other change not prejudicial to the owners;
- (b) To grant to or confer upon the owners any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the owners;
- (c) To more precisely identify the Project;
- (d) To conform such Resolution to the Code or future applicable federal law concerning tax-exempt obligations.

Section 1302. Written Evidence of Amendments. Every amendment or modification of a provision of the Bonds or of this Resolution to which the written consent of the owners is given shall be expressed in an ordinance of the City amending or supplementing the provisions of this Resolution and shall be deemed to be a part of this Resolution. It shall not be necessary to note on any of the Outstanding Bonds any reference to such amendment or modification, if any. Prior to the passage of such ordinance, the City shall receive an opinion from Bond Counsel to the effect that the proposed amendment is in compliance with the requirements of the preceding Section and that the adoption of the ordinance authorizing such amendment will not adversely affect the tax-exempt status of the interest on the Bonds. A certified copy of every such amendatory or supplemental ordinance, if any, and a certified copy of this Resolution shall always be kept on file in the office of the City Clerk and shall be made available for inspection by the owners of any Bond or prospective purchaser or owners of any Bond authorized by this Resolution, and upon payment of the reasonable cost of preparing the same, a certified copy of any such amendatory or supplemental ordinance or of this Resolution will be sent by the City Clerk to any such Owner or prospective Owner.

ARTICLE XIV

CONTINUING DISCLOSURE REQUIREMENTS AND TAX COVENANTS

Section 1401. Disclosure Requirements. The City hereby covenants with the Purchaser and the Beneficial Owners to provide and disseminate such information as is required by the SEC Rule and as further set forth in the Disclosure Undertaking, the provisions of which are incorporated herein by reference. Such covenant shall be for the benefit of and enforceable by the Purchaser and the Beneficial Owners.

Section 1402. Failure to Comply with Continuing Disclosure Requirements. In the event the City fails to comply in a timely manner with its covenants contained in the preceding section, the Original Purchaser and/or any such Beneficial Owner may make demand for such compliance by written notice to the City. In the event the City does not remedy such noncompliance within 10 days of receipt of such written notice, the Original Purchaser or any such Beneficial Owner may in its discretion, without notice or demand, proceed to enforce compliance by a suit or suits in equity for the specific performance of such covenant or agreement contained in the preceding section or for the enforcement of any other appropriate legal or equitable remedy as the Original Purchaser and/or any such Beneficial Owner shall deem effectual to protect and enforce any of the duties of the City under such preceding section.

Section 1403. General Tax Covenants. The City covenants and agrees that it will comply with: (a) all applicable provisions of the Code necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on the Series 2019 Bonds; and (b) all provisions and requirements of the Federal Tax Certificate. The Mayor and City Clerk are hereby authorized and directed to execute the

Federal Tax Certificate in a form approved by Bond Counsel, for and on behalf of and as the act and deed of the City. The City will, in addition, adopt such other ordinances or resolutions and take such other actions as may be necessary to comply with the Code and with all other applicable future laws, regulations, published rulings and judicial decisions, in order to ensure that the interest on the Series 2019 Bonds will remain excluded from federal gross income, to the extent any such actions can be taken by the City.

Section 1404. Survival of Covenants. The covenants contained in *Sections 1403* and in the Federal Tax Certificate shall remain in full force and effect notwithstanding the defeasance of the Series 2019 Bonds pursuant to *Article XII* hereof or any other provision of this Resolution until such time as is set forth in the Federal Tax Certificate.
