STAFF REPORT

Planning Commission Meeting: April 22, 2019

Application:	<u>MP19-0005</u>: Ranch Villas at Prairie Haven, Lot 23		
Location:	In the vicinity of 119 th Street and Lone Elm Road		
Owner/Applicant:	Gregory Prieb II, Prieb Homes		
Engineer:	Tim Tucker, P.E., Phelps Engineering, Inc.		
Staff Contact:	Joshua Gentzler, Planning Intern		

Total Area:	<u>.28 Acres</u>	Proposed Use:	<u>Residential</u>
Current Zoning:	<u>RP-3</u>	Units/Lots:	<u>4</u>
		Tracts:	<u>0</u>

1. Comments:

This is a request for approval of a minor plat for Ranch Villas at Prairie Haven, Lot 23 (a resurvey and replat of Lot 23, Ranch Villas at Prairie Haven) on .28 acres, located in the vicinity of 119th Street and Lone Elm Road.

The rezoning and preliminary site development plan (RZ-18-01) and final plat (P-62-01) for Ranch Villas at Prairie Haven were approved by the Planning Commission in 2001.

As the townhomes are complete, the existing lots are replatted for the sale of the individual units.

No public easement or right-of-way will be dedicated with this replat and therefore the plat will not require City Council acceptance.

2. Final Plat Review

- a. **Lots/Tracts** – The replat includes four (4) lots for a total of four (4) individual but attached villa units.

The layout of the units is consistent with the approved final plat.

The proposed lots exceed the minimum lot area of 3,000 square feet as required for RP-3 Districts and vary in size from approximately 3,070 square feet to approximately 3,120 square feet.

- b. **Utilities/Municipal Services** – The property is located in the City of Olathe Sewer and the WaterOne service areas.
- c. **Streets** – All units will have access to S. Provence Street, which is a part of the public street network, via the common drives in Tract A.
- d. **Street and Signal Excise Taxes** – No excise fees are due with this application since the property has already been platted.
- e. **Landscaping/Tree Preservation** – Per stipulation d. of P-62-01, “The developer is responsible for planting street trees. Such trees shall be planted at the completion of each phase of development.”
- f. **Amenities** - Per stipulation f. of P-62-01, “Sidewalks shall be constructed in conformance with the Unified Development Ordinance (UDO) and the approved final site development plan.”

3. Staff Recommendation:

Staff recommends approval of MP19-0005 with the following stipulations:

- a. Prior to recording the plat, a digital file of the final plat (pdf format) shall be submitted to the Planning Division.
- b. Sidewalks shall be constructed on both sides of all public and private streets and drives as required by the RP-3 zoning ordinance.
- c. The developer is responsible for planting street trees, subject to UDO 18.30.130. Such trees shall be planted at the completion of each phase of development.
- d. All above ground electrical and/or telephone cabinets shall be placed within the interior side or rear building setback yards. However, such utility cabinets may be permitted within front or corner side yards adjacent to street right-of-way if cabinets are screened with landscape materials, subject to UDO 18.30.130.
- e. A note shall be included on the building permit stating that all above ground mechanical equipment shall be screened according to UDO 18.30.130.
