I have received the appropriate departmental approvals. Please use the voting tab to provide your recommendation.

FYI.....This is a unique situation. We just processed the drinking establishment license for Embassy in June and now they are moving the hotel from one of their entities to another and the State requires a new license. Last application was under HOA Hospitality, Inc. and the new one is HOA Hotels Kansas, LLC. I just wanted you to have this bit of information in case you questioned why I was sending this again. It is technically a new application.
