I won't be able to make it but I was very impressed with the presentation. I think the building will look great and better than anything else that could possibly be built in that location. I hope the rezoning is approved.

This is a courtesy email sent to neighbors who attended the February 3rd neighborhood meeting at Olathe Community Center, to inform that the February 24th planning commission meeting has been rescheduled to March 9th. This public meeting will be held at 7PM at Olathe City Hall Council Meeting Room located at 100 E. Sante Fe, Olathe, Kansas to consider a Rezoning request of application RZ19-0023 from BP (present zoning) to C-2 (proposed zoning).
