RE: I-35 Logistics Park Building D, Olathe Kansas

To Whom It May Concern:

Kessinger Hunter & Company, LC, as agent for Sun Life Assurance of Canada's Logistics Park, has presented a Preliminary Plan revision to the City of Olathe for Building D in I-35 Logistics Park. The main reason for filing for an updated Preliminary Plan is because the ownership is desiring to grow the building from 541,500 +/- SF to 600,000 +/- SF. The facility will be a state-of-the-art, bulk distribution building very similar to the other two buildings in I-35 Logistics Park. Enclosed is a site plan and elevations for Building D.

Thank you!

Sincerely,

Daniel B. Jensen
