

Project Fact Sheet
2020 MAQS Micro Surface Project
PN 3-P-007-20
May 19, 2020

Project Manager: Beth Wright / Nico Estrada-Stephen

Description: The 2020 MAQS Micro Surface Project will include a micro surface treatment on 87 local and collector streets throughout Olathe.

Justification: The 2020 Micro Surface Project provides a modified aggregate quickset surface treatment which seals and adds a skid resistant wearing surface to existing asphalt pavement.
