Summary

Total Amount:	\$63,502.92	Quote ID:	Q-06909-Q3X2 Revision: 5
Shipping Method:	Ground	Date:	3/13/2021
Payment Terms:	Net 30	Effective To:	6/11/2021
Description:	<p>This quote is for Olathe Fire Station New #8 for the First-In Alerting Smart Station System including installation and one year of technical support.</p> <p>The following existing First-In Alerting Core System equipment will be used.</p> <ul style="list-style-type: none">1 - MCU1 - Radio Isolation Unit1 - MCU Data Line Surge Protector1 - Control Remote <p>Customer provided plumber is required to install electric valve in gas line to stove. Pricing assumes each station's appliance has electric ignition, Westnet included power contactor installation in the electric power supply to stove. If the stove has automatic ignition, the owner must have its electrician install a power contactor (relay) in the AC power line to the stove as well as the gas valve. The Appliance Controller would then control two outputs, one for the gas and a second output to control the stove's AC power. The relay for the AC power should have a coil control voltage rating of 24 V AC rated for continuous duty. The only Westnet tested and accepted appliance controller natural gas valve is the ASCO Red Hat Normally Closed gas valve with any one of the following part numbers: 8215B060: 8215B050: 8215G030. The valve must be specified for 24V AC 60hz.</p>		
Clarifying Comments:	<p>This quote is based upon installation occurring in 1 trip. If the station is not ready and additional trips are required, customer agrees to pay additional fees. Customer is responsible for all network connectivity between dispatch and station, as well as the CAD interface if network activation is desired. Customer is responsible for having the radio, network equipment and power within 6 feet of the Master Control Unit. Quote does not include conduit of more than 20 feet, if required. Customer to provide VPN access to Westnet for remote adjustments and support.</p> <p>Quote does not include Davis Bacon, union and prevailing wages rates, customer is responsible if applicable. Quote does not include sales tax, customer is responsible for sales tax if applicable. Quote includes HGAC discount. Payment terms are net 30 with payment milestones.</p> <p>Quote was revised 9/13/19 to update the quote to reflect Drawing Revision: 7 Dated: 9/13/19.</p> <p>Quote was revised 1/27/2020 to update the quote to reflect Drawing Revision: 8 Dated: 1/27/2020.</p> <p>Quote was revised 5/8/2020 to update the quote to reflect Drawing Revision: 10 Dated: 5/5/2020.</p> <p>Quote was revised 5/19/2020 to remove the Appliance and Systems Interface Unit and Appliance Reset Switch.</p> <p>Quote was revised 1/15/2021 to update the HGAC Pricing.</p> <p>Quote was revised 3/12/2021 to update the effective to date.</p>

SS-TIM-01	Telephone Interface Module	1	\$1,139.95	\$1,139.95
SS-TTMR-MDC	Turnout Timer - Dual Color (Medium-17.37 inch)	2	\$783.75	\$1,567.50
	Emergency Button Cover - Kit	1	\$59.90	\$59.90

NOTES:

1. In the event that taxes, other than sales tax apply to the purchase of this equipment, said taxes will be paid by the customer.
2. Quote is based on a properly working and installed CAD, radio system(s), station radio(s) and does not include costs for repair or modifications of the CAD, radio system(s), or station radio(s).
3. Any equipment drawings included with this quote are for quoting purposes only and are not to be used as working drawings unless such drawings are labeled "Installation Drawings". See attached Limited Warranty.

Equipment Total	\$28,094.49
Install Supplies	\$2,050.25
Total Tax (%)	\$0.00
Shipping and Handling	\$2,114.86
Station Equipment Install	\$25,376.56
One Year Toll Free Technical Support	\$3,266.76
Project Coordination	\$1,850.00
Special Engineering Services	\$750.00
Total Amount	\$63,502.92

Manufacturer's warranties apply on all parts. First-In warranty is provided by Westnet and consists of one-year parts and labor. Warranty does not apply to damage resulting from outside agencies or extraneous circumstances. Installation labor for any other items is ninety days. This quote is based on the reasonable assumption that the fire station is prepared to accept the above listed parts and that any existing equipment involved with the fire station alarm be in good working order or that it will be prior to commencement of the First-In installation. Westnet has made reasonable attempts to verify that conditions are satisfactory such that installation may occur. However, should an occurrence arise where further parts, labor and/or engineering are required, the customer may be billed at the Purchase Order rate. Any additional parts, labor and/or engineering exceeding \$250 will have prior approval, unless otherwise specified by the customer prior to commencement.

If payment is not received by 30 (thirty) days from the date of invoice, a late charge of 1.5% per month of the unpaid balance will be charged to that particular invoice.
