these subrecipient agreements. Each agreement has been approved by HUD as an Olathe project and meets the CDBG federal requirements. Staff has attached one agreement between the County and City (A) and one between the City and the funded project (B). It is representative of the nine (9) projects being approved.

Olathe City Council approved the amount of \$348,500 at their July 24, 2018 Council meeting. This number has increased to \$365,945.00.

FINANCIAL IMPACT:

\$365,945.00 in federal CDBG dollars is being invested in Olathe in 2019.
