SUBJECT: Renewal of contract with Optrics, Inc. for the purchase and use of Manage Engine software licenses.

TITLE:

Renewal of contract with Optrics, Inc. for the purchase and use of Manage Engine software licenses.

SUMMARY:

ManageEngine crafts comprehensive IT management software to bring IT together for an integrated, overarching approach to optimizing IT. It offers more than 90 tools to help manage all aspects of IT operations, including networks, servers, applications, desktops, mobile devices, service desks, Active Directory, and security. They have built the tools from the ground up with contextual integrations to make sure that their customers can manage IT together. We currently utilize the following tools: Endpoint Cenral, ADManager Plus, and ADAudit Plus. These products combine to provide us with complete life-cycle management of our Active Directory users and computers.

In 2019, the City initially awarded the contract to Optrics, Inc. Staff recommend a one (1)-year renewal of this contract with the option to renew.

No Olathe vendors can provide this product.

FINANCIAL IMPACT:

\$54,895.75 to be paid from the Information Technology budget.

ACTION NEEDED:
