SUMMARY:

This final plat application is to establish lot lines for one industrial lot and three (3) tracts, and to dedicate land for public street right-of-way and for utility easements. Forty (40) acres of the subject property were rezoned to the M-2 District in 2014 and the remaining 17.17 acres were rezoned to the M-2 District in April 2020. This final plat is consistent with the preliminary plan that accompanied the 2021 rezoning.

This plat is subject to a street excise tax of \$0.215 per net square foot of land. Final plats in industrial zoning districts are subject to a traffic signal excise tax of \$0.0098 per square foot of land. The required excise taxes will be submitted to the Planning Division prior to recording the final plat.

FINANCIAL IMPACT:

None.
