Project No. 3-C-084-17 was created by Resolution No. 18-1083 on September 18, 2018. This project will improve Lone Elm Road to a four-lane arterial section between Old 56 Highway and 151st Street along with geometric improvements at the intersection of Lone Elm Road and Old 56 Highway. Improvements include storm sewer, streetlights, on-street bike lanes, landscaping, and sidewalks. The existing bridge over the railroad will be modified to provide pedestrian access. Attachment A is a map of the project area.

Right-of-way and/or easements need to be acquired on 20 tracts of land for the project, and 3 tracts have been acquired to date.

On May 7, 2019, the City Council approved Resolution No. 19-1035 which authorized an engineering survey of land needed for the project.

This ordinance is the second step of the eminent domain process. The ordinance approves the survey and authorizes the filing of a petition for eminent domain in the Johnson County, Kansas District Court (Attachment B - Ordinance).

To keep the project on schedule, land acquisition needs to be completed by July 1, 2019. Staff is continuing to negotiate with the property owners to try to reach agreements to acquire the property

needed before filing the eminent domain petition.
