### ITEM DESCRIPTION:

Report on 2020 Community Development Block Grant (CDBG) funding recommendations

### SUMMARY:

The City of Olathe has a long-standing cooperative agreement with Johnson County for receiving CDBG funds. As a result of the agreement, the City of Olathe receives 41% of the County's CDBG funds. The projected 2020 allocation amount is \$328,000, at least a 20,000 reduction. The City of Olathe and Johnson County utilize the same CDBG application, guidelines and procedures. Olathe is responsible for advertising CBDG grant funding availability, conducting a public hearing, which took place May 7, 2019, overseeing the Olathe application and review process, and making funding recommendations. Olathe received thirteen grant applications and on June 6, 2019 grant applicants were given an opportunity to present their proposals to a review committee comprised of city staff and community individuals.
