SUMMARY:

The County Assistance Road System (CARS) program provides funds to the cities of Johnson County to construct and maintain their major arterials. Each year the cities submit a 5-year road improvement plan to Johnson County. On April 16, 2019, the City Council passed Resolution Number 19-1029 approving the City of Olathe's application that was submitted for 2020 CARS funding. The 127th Street Arterial Mill and Overlay Project was selected to receive CARS funding for construction in 2020.

This Agreement (CARS # 320001325) provides CARS funding for 50% of the participating project costs up to a maximum of \$600,000. This funding can be used for all eligible costs of construction.

This Street Preservation project, from Mur-Len Road to Black Bob Road, will provide a 2" depth mill and asphalt overlay, asphalt base repair, concrete curb and gutter replacement, sidewalk and ADA ramp replacement, traffic signal detection replacement, and replacement of pavement markings.

Construction began in early April 2020 and will continue through June 2020. Lawn restoration will be completed in Fall 2020.
