SUBJECT: An agreement with ATMOS Energy Corporation for utility relocations for the Upper Cedar Creek, 169 Hwy to Mahaffie, Stormwater Improvements Project, PN 2-C-013-19.

ITEM DESCRIPTION:

Consideration of an Agreement with ATMOS Energy Corporation for the Upper Cedar Creek, 169 Hwy to Mahaffie, Stormwater Improvements Project, PN 2-C-013-19.

SUMMARY:

This project is in place to address street and structure flooding that occurs in the vicinity of the intersection of S. Keeler Street and S. Keeler Terrace. The project includes replacement of existing corrugated metal pipe (CMP) culverts with larger concrete culverts, reconstruction of street pavement, channel improvements, storm sewer improvements, and the elimination of the flood risk for two (2) businesses identified within the 100-year floodplain through project improvements.

This is the second of six identified neighborhood flood control projects located outside the FEMA regulated floodplain.

This agreement would allow ATMOS Energy Corporation (ATMOS) to relocate necessary portions of their infrastructure that are in conflict with the City's proposed stormwater improvements along S. Keeler Street and S. Keeler Terrace.

ATMOS's infrastructure is within a private easement, therefore the City must reimburse ATMOS for all costs associated with the relocation effort. ATMOS estimates the cost to be \$99,096.00. The actual costs will be reconciled when ATMOS completes their relocation work.

The relocation of the ATMOS facilities is tentatively scheduled to begin in Summer 2020 with completion by the end of 2020.

Construction of the project is tentatively scheduled to begin in Spring 2021.

FINANCIAL IMPACT:

Funding for the Upper Cedar Creek, 169 Hwy to Mahaffie, Stormwater Improvements Project, as approved in the 2019 Capital Improvement Plan, includes:

Olathe Stormwater Fund	\$1,184,430
<u>Johnson County SMAC Program</u>	<u>\$1,350,570</u>
Total	\$2,535,000

ACTION NEEDED:

Approval of an Agreement with ATMOS Energy Corporation for the Upper Cedar Creek, 169 Hwy to Mahaffie, Stormwater Improvements Project, PN 2-C-013-19.
