SUBJECT: Report on authorization of the 2021 CIP for Modernization of Fire Stations Project. PN # 6-C-031-21.

ITEM DESCRIPTION:

Report on authorization of the 2021 CIP for Modernization of Fire Stations Project. PN # 6-C-031-21.

SUMMARY:

The Modernization of Fire Stations project is approved in the 2021-2025 Capital Improvement Plan (CIP) with a total project budget of \$1,015,000. This project will make improvements throughout various Fire Stations necessary for the Health and Safety of Staff.

The Modernization Project will address necessary improvements throughout Fire Stations. The project will include the separation of current shared sleeping areas to provide privacy for Staff, standardizing a more reliable comprehensive in-station emergency alerting system for calls for service, repairing and restoring the vehicle exhaust direct capture system that is the industry gold standard to manage the health hazard of exhaust exposure for firefighters, and installation of exterior security cameras at each facility.

The CIP sheet for the Modernization of Fire Stations project is included as Attachment A. Staff will return to Council on April 20th to request approval to authorize the project.

The Project will begin in 2021 and completed in 2022.
