**SUMMARY:**

As approved by the City Council on March 5, 2019, bids will be received by the City on April 2, 2019, from prospective buyers of the Water and Sewer System Revenue Bond Series 2019. The issuance includes the refunding of Series 2009 in the amount of \$1,875,000. The refunded portion has a 10-year term with a maturity date of 2029.

Accordingly, the best bid rates will be provided at the City Council meeting.

In addition to the best bid approval required above, the City's bond counsel, Gilmore & Bell, has prepared Ordinance No. 19-11 authorizing the issuance of the bonds. They have also prepared Resolution No. 19-1027, prescribing the form and details of and authorizing the delivery of the Water and Sewer System Revenue Bonds, Series 2019.

Draft copies of the above-mentioned ordinance and resolution are attached. The final versions of these documents will be presented at the City Council meeting once the bids have been received and the best bid has been determined.

The City has applied for a rating from Standard and Poor's Corporation. Revenue bonds are rated separately from general obligation bonds, because the source of repayment for the bonds comes from Water and Sewer operations rather than the full faith and credit of the City. Standard and Poor's affirmed the City's AA rating with a stable outlook.
