MEETING DATE: 10/1/2019

DEPARTMENT: Legal

STAFF CONTACT: Ron Shaver and Daniel Yoza

SUBJECT: Report on proposed amendments to O.M.C. Chapter 2.34 concerning the Olathe Community Foundation.

ITEM DESCRIPTION:

Report on proposed amendments to O.M.C. Chapter 2.34 concerning the Olathe Community Foundation.

SUMMARY:

The Olathe Community Foundation was established by Ordinance 18-08 on April 21, 2018. Staff has prepared the attached Ordinance 19-XX (Attachment A), making several minor changes which should assist in the formation and operations of the foundation. The changes are summarized as follows:

The first change allows the Governing Body to operate as the Board of the Directors of the Foundation until the members are appointed. Potential board members may not be available to be appointed all at once, so this provision should create a smooth start-up period for the Foundation.

- 1) The second change softens the term limit provision of the Ordinance. It is expected that key business leaders from the community will serve on the board, so strictly enforcing a rule of no more than two terms may not always serve the interest of the Foundation, especially in retaining institutional knowledge on the Board.
- 2) The final change removes the requirement of Governing Body approval for any disbursement of funds. Finding and committing to worthy community programs is a primary task to be delegated to the Board.

FINANCIAL IMPACT:

None

ACTION NEEDED:

Accept report. Unless otherwise directed by the City Council, staff will prepare the ordinance for formal consideration on October 15, 2019.
