MEETING DATE: 4/20/2021

FOCUS AREA: Infrastructure (Facilities)

STAFF CONTACT: Mary Jaeger / Beth Wright

SUBJECT: Authorization of the 2021 Facility & Parking Lot Improvements & Maintenance Project, PN 6-C-032-21.

ITEM DESCRIPTION:

Consideration of Resolution No. 21-1029 authorizing the 2021 Facility & Parking Lot Improvements & Maintenance Project, PN 6-C-032-21.

SUMMARY:

Pavement life cycles can be substantially increased (up to 30%) with periodic application of surface sealant and joint caulking applications. The approved 2021-2025 Capital Improvement Plan (CIP) included funding to establish a program to enhance longevity of paving at City facilities and address improvements/repairs to City parking lots and the City's parking garage.

This Resolution will authorize \$400,000 to be spent in 2021 on improvements and maintenance of City parking lots and the City's parking garage.

FINANCIAL IMPACT:

Funding for the 2021 Facility & Parking Lot Improvements & Maintenance Project, as approved in the 2021-2025 Capital Improvement Plan, includes.

GO Bonds	\$400,000
Total	\$400,000

ACTION NEEDED:

Approval of Resolution No. 21-1029 authorizing the 2021 Facility & Parking Lot Improvements & Maintenance Project, PN 6-C-032-21.
